2nd Edition with Student Study Guide and EGrade Plus Set David Besanko,2005-02-01 **Neoliberal Legality** Honor Brabazon,2016-11-10 Neoliberalism has been studied as a political ideology an historical moment an economic programme an institutional model and a totalising political project Yet the role of law in the neoliberal story has been relatively neglected and the idea of neoliberalism as a juridical project has yet to be considered That is neoliberal law and its interrelations with neoliberal politics and economics has remained almost entirely neglected as a subject of research and debate This book provides a systematic attempt to develop a holistic and coherent understanding of the relationship between law and neoliberalism It does not however examine law and neoliberalism as fixed entities or as philosophical categories And neither is its objective to uncover or devise a law of neoliberalism Instead it uses empirical evidence to explore and theorise the relationship between law and neoliberalism as dynamic and complex social phenomena Developing a nuanced concept of neoliberal legality neoliberalism it is argued here is as much a juridical project as a political and economic one And it is only in understanding the juridical thrust of neoliberalism that we can hope to fully comprehend the specificities and continuities of the neoliberal period as a whole JSL Vol 24-N1 JOURNAL OF SCHOOL LEADERSHIP,2014-04-01 The Journal of School Leadership is broadening the conversation about schools and leadership and is currently accepting manuscripts We welcome manuscripts based on cutting edge research from a wide variety of theoretical perspectives and methodological orientations The editorial team is particularly interested in working with international authors authors from traditionally marginalized populations and in work that is relevant to practitioners around the world Growing numbers of educators and professors look to the six bimonthly issues to deal with problems directly related to contemporary school leadership practice teach courses on school leadership and policy use as a quality reference in writing articles about school leadership and improvement
