Digital Jungle Vikas Chawla, David Appasamy, Nandita Raman, 2021-04-07 Much like the annual spectacle of millions of wildebeest and zebras migrating from the parched savannahs humankind too witnessed an even greater migration over the last two decades where 4.5 billion people migrated to the internet. Over the last few years this migration has led to a phenomenal growth of digital marketing. While digital as a medium has evolved tremendously brands are still looking at how they can decode the digital jungle. This book juxtaposes modern marketing concepts with the wilderness. It explores the impending questions of every brand campaign: Why? Why does your product or service even exist? Why should anyone buy it? Why should they choose you over your competitors? It is also packed with case studies and infallible insights on the art of storytelling on new platforms leveraging a brand's online assets to enhance customer experience and identifying proven strategies to boost online sales. Right from establishing your brand to going that extra mile to convert the leads into loyal customers and driving ROI. Decoding the Digital Jungle takes the readers on a safari of marketing concepts transitioning from the traditional to the digital age.

Pro SharePoint Disaster Recovery and High Availability Stephen Cummins, 2013-11-26 Few IT professionals take the time to learn what needs to be known to do disaster recovery well. Most labor under the pretense that good administration equals close to five nines uptime. Most technical people do not see the value of planning for disasters until the unexpected has already happened and the effects of a disaster involving a SharePoint farm which today houses business information, line of business applications, sensitive information, extranets and other highly important assets can be staggering. Pro SharePoint Disaster Recovery and High Availability Second Edition will take you through a step-by-step process to show how to build an awareness and reaction plan for the inevitable. With a focus on real-world experiences and war stories, author Stephen Cummins weaves an expert tale of woe, response and offers you ways to see the warning signs of disaster and ways to avoid it. Ways to respond to a disaster while it is happening. Perhaps most importantly, how to develop a plan to deal with disaster when it inevitably does happen.
