Corruption and Scandal in American Sports Jimmy Sanderson, 2023-08-24 Scandals about cheating and corruption have dogged amateur and professional sports in the United States since the nation's earliest days. This work examines the most infamous and consequential of these controversies and scandals both on and off the field. Authoritative individual essays tackle notorious events in popular American sports ranging from the 1919 Black Sox scandal to revelations of sign stealing by the Houston Astros throughout their 2020 championship season with stops in between to survey horrific sex abuse scandals at Penn State, Baylor, and Michigan State; steroid and drug scandals that brought down once admired athletes like Mark McGwire and Lance Armstrong; and cheating betting controversies that tainted individual players like Pete Rose. Teams like Boston College, New England Patriots, and entire leagues including the Little League World Series in 2001. But this work does more than just recount these events; it will also examine the cultural and economic pressures and forces that contributed to these events as well as the lessons learned and steps taken if any to enact reform and help the sport recover. The Baseball Bat Stephen M. Bratkovich, 2020-07-16 Why do modern-day sluggers like Aaron Judge prefer maple bats over the traditional ash bats swung by Ted Williams and others? Why did the surge of broken bats in the early 21st century create a crisis for Major League Baseball, and what steps were taken to address the issue? Are different woods being considered by players and manufacturers? Do insects, disease, and climate change pose a problem long term? These and other questions are answered in this exhaustive examination of the history and future of wooden bats, written for both lifelong baseball fans and curious newcomers. **New York Magazine**, 1980-10-13 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country.
