How the Ship Changed My Life Goran Žganec, 2025-01-03 Due to the difficulty to find a job in his city Goran chooses the type of career that changed his life He started to work on a cruise ship in the hospitality industry in 2013 He has three contracts in three different cruise ships He considers this experience the most difficult but also the most valuable that life has taught him Working on a vessel requires huge sacrifices like being miles away for more than half a year from family and friends working with different nationalities and cultures brutally heavy pace of minimal ten working hours every day and often even more without normal sleeping hours but on the other hand a piece of relaxation that makes it very special such as travelling to various attractive world tourist destinations and creating unforgettable friendships and adventures Because of his soccer dream he left the cruiser in 2016 together with Elizabeth from Peru back then his girlfriend today his wife and since 2017 they live in Munich Germany From the first day spent on the ship during all the rich experiences and adventures until the last disembarkation through magical Peru and a special proposal on the beautiful Machu Picchu to the current life in Germany he continues to explore new places and shares his soccer passion Ship life inspired him to write this book and motivate people in achieving their biggest goals because he strongly believes that everything is possible if the person really wants it **The Advocate** ,2004-12-07 The Advocate is a lesbian gay bisexual transgender LGBT monthly newsmagazine Established in 1967 it is the oldest continuing LGBT publication in the United States The New Yorker ,1995
