Once Upon A Challenge Hearing Is Believing

Marcel A. Müller

Once Upon A Challenge Hearing Is Believing:

Once Upon a Challenge Nancy L. Burns, 2009-07 It was the late 1940s when a tall skinny sixth grader picked up a shiny object off the ground in her small Missouri town and became the victim of a tragic circumstance an explosive left carelessly behind took away her vision and changed her forever With a quietly inspirational style Nancy Burns shares her poignant life experiences as a blind woman with the hope of educating and enlightening others about certain societal misconceptions and attitudes regarding those who are disabled Beginning with the moment when she woke up in the hospital both eyes bandaged and realized she would not receive the emotional comfort and guidance she so desperately needed Burns offers a compelling glimpse into the fulfilling world she created for herself despite her disability Her personal story chronicles her struggles as a young girl learning to live with her vision loss her family's inability to acknowledge her disability and her determined journey to acquire the skills that led her to eventually become a vocational counselor who worked with disabled clients In *Once Upon a Challenge Hearing is Believing* Burns offers an important message the way one chooses to live with challenges becomes the key to success in life

Pedagogy, Disability and Communication Michael S. Jeffress, 2017-04-28 Bringing together a range of perspectives from communication and disability studies scholars this collection provides a theoretical foundation along with practical solutions for the inclusion of disability studies within the everyday curriculum It examines a variety of aspects of communication studies including interpersonal intercultural health political and business communication as well as ethics gender and public speaking offering case study examples and pedagogical strategies as to the best way to approach the subject of disability in education

Once Upon a Temptingly Ruinous Kiss Bree Wolf, She writes the unwritten England 1802 Daughter to the EARL OF WHICKERTON Lady Leonora has an insatiable curiosity about the human condition At every ball and social event while others dance and flirt Leonora observes her trusted notebook in hand She is captivated by the silent language of glances and gestures recording the subtle tells of human nature But her keen interest in the unspoken soon teaches her a chilling lesson not all smiles are friendly and the greatest deceptions are dressed in charm he rights the wrongs Haunted by his past and cloaked in regret Drake Shaw Marquess of Pemberton leads a dual existence By day a gentleman by night a vigilante targeting dishonorable men who escape justice His life is a ceaseless quest for redemption driven by the shadows of his mistakes Drake's world is black and white until he meets a young lady who colors it with intrigue Leonora vulnerable yet undeniably brave disrupts his vendetta making him question if revenge is truly what his heart desires When curiosity meets vengeance the real story begins When Leonora's curiosity draws her into danger crossing paths with Drake's underworld of revenge both must confront their inner demons Drake finds himself protecting the very spirit he admires while Leonora learns that the most compelling stories are found not in her notebook but in living them A leap of faith all or nothing Together they must navigate a perilous society where secrets abound and trust is a rare commodity As they draw closer they discover that understanding human nature might just be the key to unlocking their own
