Once Upon a Time James Cullinane,2022-12-13 This is a compilation of stories and poems I ve written over the past ten or more years It will in all probability be my final publishing endeavor or maybe not I ve written these stories and poems all over the world in Chiang Mai Thailand Ciudad Colon Costa Rica Sri Lanka Mount Kisco NY Manhattanville College Purchase NY Most of the stories are fiction with some reflections on life and spirituality As we grow

older our outlook and beliefs evolve and we wrestle again with our spiritual connections with God and the Universe Oddly enough few if any have been written in Ireland though many about Ireland and especially Abbeyside the village where I was formed and had such an influence on who and what I would become Though times were hard and money scarce I wouldn't swap my upbringing there with the most affluent denizens anywhere on the planet There were times I was dissatisfied growing up for I had a great desire to travel the world and experience other cultures but as I grow older I appreciate more and more the lessons learned lifelong friendships made and the optimism and will to forge better times that always existed there To be clear this existed not just where I grew up but throughout Ireland But it seemed Saint Augustine our patron saint was keeping a particular eye out for the village and its people A special thanks to my daughter Triona my son in law JP and my good friend Eddie Cantwell who each helped at various stages in bringing this book to fruition

Minefields of the Heart Sue Diaz, 2010-07-01 How do combat veterans and their loved ones bridge the divide that war by its very nature creates between them How does someone who has fought in a war come home especially after a tour of duty marked by near daily mortar attacks enemy fire and roadside bombs With a journalist's eye and a mother's warmth Sue Diaz asks these questions as she chronicles the two deployments to Iraq of her son Sgt Roman Diaz from the perspective of the home front Sergeant Diaz's second deployment put him south of Baghdad in the region aptly termed the Triangle of Death There his platoon experienced extraordinarily heavy casualties during the height of the Iraqi insurgency That unit has since become the focus of considerable media attention following events that made headlines in the summer of 2006 an insurgent attack at a remote outpost on three of their own one killed at the scene the other two kidnapped their bodies found days later and a terrible war crime committed against an Iraqi family by four soldiers from First Platoon Minefields of the Heart adds a very personal dimension to the larger story of this Bravo Company platoon from the 101st Airborne's 502nd Infantry Regiment a unit known since World War II as the Black Heart Brigade Diaz recounts the emotional rollercoaster her family and other soldiers' families experience during and after deployment She explores this terrain not only

through stories of her son's and family's experiences connected to the Iraq War but also by insights she's gained from other veterans' accounts from what she calls the box that soldiers returning from any war carry within. This added layer gives her narrative broader meaning, bringing home the impact of war in general on those who fight and on those who love them. *Minefields of the Heart* is a story of innocence lost, understanding gained, and hope reaffirmed. In addition to veterans and their families, this book will appeal to anyone who wants to understand war's impact on individuals as well as on the fabric of our society.
