Once Upon Apocalypse Journey

Stephen L. Harris, Gloria Platzner

Once Upon Apocalypse Journey:

Once upon a Time Sarah A. Appleton, 2009-10-02 While it is often acknowledged that Margaret Atwood's novels are rife with allusions from the oral tradition of myth legends fables and fairy tales the implications of her liberal usage bear study The essays in this volume have been written by some of the most influential Margaret Atwood scholars internationally each exploring Atwood's use of primal indeed archetypal narratives to illuminate her fiction and poetry These essays interact with all types of such narratives from fairy tales and legends to Greek Roman Biblical and pagan mythologies to contemporary processes of myth and tale creation And as the works in this collection demonstrate Atwood's use of myths and fairy tales allows for an abundance of old yet fresh material for contemporary readers By reconciling yet by also revisioning the archetypal motifs characters and narratives Atwood's writings present a familiar yet unique reading experience *One Upon the Throne and the Lamb* Russell S. Morton, 2007 One upon the Throne and the Lamb A Tradition Historical Theological Analysis of Revelation 4 5 is an analysis of the tradition history underlying Revelation 4 5 and the way John employed these traditions The hypothesis is that John incorporated themes from the Hebrew Bible and Jewish tradition especially apocalypticism and Greco Roman themes to present his vision of God and Christ In the process John has transformed the traditions to present a unique and exalted vision of both God and Christ **Once Upon a Distant War** William Prochnau, 2019-11-20 Once Upon a Distance War tells the stories of such young Vietnam war correspondents as Neil Sheehan Peter Arnett and David Halberstam providing a riveting chronicle of high adventure and brutal slapstick gallantry and cynicism as well as a vital addition to the history they shaped Prochnau tells a Vietnam story we haven't heard before Complex witty and humane Tobias Wolff of photos **Midjourney Meister** Martin Schaldemose, 2023 *Once upon a time behind the Berlin Wall...* David Frohriep, 2024-04-23 Once upon a time behind the Berlin Wall takes you on David Frohriep's emotional and cultural rollercoaster ride from East to West as a child and teenager in communist Germany with a first unexpected adventure in New York and a dramatic return to East Germany escape to West Berlin diplomat in reunified Germany women and a career in NYC London and Paris and a great love for Europe David explores what it means to be free discovering new ways of living and escaping from a few risky situations along the way Through these ten personal stories we find out how he pursues his dream to find professional fulfillment and personal happiness *The Fourth Time Travel* MEGAPACK® Fritz Leiber, R. A. Lafferty, Keith Laumer, Ron Goulart, Avram Davidson, 2016-11-14 Time travel remains a favorite subgenre in science fiction and we are pleased to present another volume of classic tales From pulp adventure to literary gems here are stories that range from the ancient past to the far future 20 in all by masters of their craft Included are TIME IN THE ROUND by Fritz Leiber TRANSFER POINT by Anthony Boucher GUEST IN THE HOUSE by Frank Belknap Long A STONE AND A SPEAR by Raymond F Jones THE ORDEAL OF COLONEL JOHNS by George H Smith PICTURE BRIDE by William Morrison SERVICE ELEVATOR by Sam Merwin Jr RECRUIT FOR ANDROMEDA by Milton Lesser A HUSBAND

Once Upon a Nightwish Mape Ollila, 2008 Hailing from the tiny hamlet of Kitee Finland pop 10 000 Nightwish has captivated the world s imagination with magical million selling releases like *Once Century Child* and *Wishmaster* Their saga is a heavy metal fable as dramatic and tumultuous as the band s epic symphonic music In these details and confessions a vivid and painfully honest portrait of a musical dream emerges and tensions swell as a split with original singer Tarja Turunen becomes inevitable In this remarkably revealing official biography author Mape Ollila charts the rise from village student project to global stardom gaining unprecedented access not just to the members of Nightwish past and present but also their families their loyal and lewd crew their peers their critics and countless other insiders from the Nightwish adventure The book lays bare the creative firepower and personal demons of songwriter Tuomas Holopainen the unique talents and traits of guitarist Emppu Vuorinen drummer Jukka Nevalainen and bassist Marco Hietala and the true reasons behind the 2005 departure of vocalist Tarja Turunen in the band s words and hers Along the way the band struggles with religious protesters fortune tellers naked crew members health problems shady promoters out of control fans and the growing pains of an ever steeper rock star learning curve Happily ever after or not these unique Finnish personalities are brought to life in this journey of into the mysteries of *Once Upon a Nightwish*

Jewish Travel in Antiquity Catherine Hezser, 2011 This book provides the first comprehensive study of Jewish travel and mobility in Hellenistic and Roman times based on a critical analysis of Jewish Graeco Roman and early Christian literary epigraphic and archaeological sources and a social historical evaluation of the material Catherine Hezser shows that certain segments of ancient Jewish society were quite mobile Mobility seems to have increased in the later Roman period when an extensive road system facilitated travel within the province of Syria Palestine and the neighbouring Middle Eastern regions Second Temple Judaism was centralized with Jerusalem as its central space and seat of priestly authority In post 70 rabbinic Judaism on the other hand connections between rabbis could be established through mutual visits and second and third degree contacts only Mobility formed the basis of the establishment of a decentralized rabbinic network in Palestine and Babylonia in late antiquity Numerous narrative and halakhic traditions indicate the importance of mobility for communication and the exchange of knowledge amongst rabbis It is argued that the rabbis who were most mobile sat at the nodal points of the rabbinic network and elicited the largest amount of influence They would have combined business travel with scholarly

exchange Scholars journeys between Palestine and Babylonia are viewed within the wider context of Rome and Persia s economic and cultural exchange in which Jews just like Christians may have played the role of intermediaries

The Sacred Journey Greg Castle,2015-07 The Sacred Journey is a Metaphysical Discourse on the relationship between the Jungian Alchemical Archetypes of Transformation and their correspondence to the hieratic degrees of initiatory psychic ability paranormal occurrence morphogenic resonance synchronicity experience prophetic epiphenomena religious radical empiricism beatific vision Comparative World Religion epiphany Biblical Scripture exegesis Sacred Journey

Travel Guide Brazil Brendan Sainsbury,Kathleen Anaza,Stuart Butler,Victoria Gill,Michael Grosberg,Trent Holden,Marisa Paska,Kevin Raub,Madelaine Triebe,2023-12 Lonely Planet s Brazil is your passport to the most relevant up to date advice on what to see and skip and what hidden discoveries await you Marvel at Iguacu Falls take a jungle trip and frolick in the waves at Ipanema Beach all with your trusted travel companion Get to the heart of Brazil and begin your journey now

Secular Steeples 2nd Edition Conrad Ostwalt,2012-11-29 The Scandinavian Nordic countries of Denmark Norway Sweden and Finland experienced the effects of the German invasion in April 1940 in very different ways Collaboration resistance and co belligerency were only some of the short term consequences Each country s historiography has undergone enormous changes in the seventy years since the invasion and this collection by leading historians examines the immediate effects of Hitler s aggression as well as the long term legacies for each country s self image and national identity The Scandinavian countries war experience fundamentally changed how each nation functioned in the post war world by altering political structures the dynamics of their societies the inter relationships between the countries and the popular view of the wartime political and social responses to totalitarian threats Hitler was no respecter of the rights of the Scandinavian nations but he and his associates dealt surprisingly differently with each of them In the post war period this has caused problems of interpretation for political and cultural historians alike Drawing on the latest research this volume will be a welcome addition to the comparative histories of Scandinavia and the Second World War

Once Upon a Zombie Storm Stoker,2012-10-01 What would you do if you turned on the news tomorrow morning and learned there was a Zombie Apocalypse There are at least seven people who would not be surprised In fact they ve been waiting their whole lives for this event These over educated under employed misfits have spent years watching old horror films about zombies playing zombie video games and discussing what they would do if zombies invaded They are ready In the real world they are labeled as freaks and outcasts They have dead end jobs and are looked down on by their families and society The real world is about to end Is it possible the least likely people to survive in the normal world could triumph in a zombie apocalypse Is this their chance to move from the bottom to the top of the food chain

The New Granta Book of Travel Albino Ocheri-Okello,2011-11-03 A collection of travel writing by some of the genre s finest authors from Paul Theroux to Sara Wheeler voyaging from Mississippi to Malawi and Thailand The New Granta Book of Travel Writing represents a sea change in writers approaches to the craft The 1980s

were the culmination of a golden age when writers including Bruce Chatwin James Hamilton Paterson and James Fenton set out to document life in largely unfamiliar territory bringing back tales of the beautiful the extraordinary and the unexpected By the mid 1990s travel writing seemed to change as a younger generation of writers appeared in the magazine making journeys for more complex and often personal reasons Decca Aitkenhead reported on sex tourism in Thailand and Wendell Steavenson moved to Iraq as a foreign correspondent What all these pieces have in common is a sense of engagement with the places they describe and a belief that whether we are in Birmingham or Belarus there is always something new to be discovered *Once Upon a Time in a Dark and Scary Book* K. Shryock Hood, 2018-05-25 Contemporary American horror literature for children and young adults has two bold messages for readers adults are untrustworthy unreliable and often dangerous and the monster always wins as it must if there is to be a sequel Examining the young adult horror series and the religious horror series for children Left Behind The Kids for the first time and tracing the unstoppable monster to Seuss's Cat in the Hat this book sheds new light on the problematic message produced by the combination of marketing and books for contemporary American young readers Dante's Inferno, The Indiana Critical Edition Dante Alighieri, 1995-06-22 Presents a verse translation of Dante's Inferno along with ten essays that analyze the different interpretations of the first canticle of the Divine Comedy **Peter - Apocalyptic Seer** John R. Markley, 2013 In this study John R Markley argues that the generic portrayal of apocalyptic seers which he reconstructs through an analysis of fourteen Jewish and Christian apocalypses shaped Matthew's portrayal of Peter This influence of the apocalypse genre has come to bear on the Matthean Peter indirectly through Matthew's appropriation of Markan and Q source material and directly through Matthew's redaction and special material This suggests that Matthew has portrayed Peter in part as an apocalyptic seer who was an exclusive recipient of mysteries about Jesus and mysteries mediated by Jesus In other words Matthew primarily conceived of Peter as a recipient of revelation analogously to the venerated seers portrayed in the apocalypses of the Second Temple period Markley states that these conclusions require substantial revision to the predominant scholarly estimations of the Matthean Peter which mainly hold him to be a typical or exemplary disciple **All Y'all** Heidi Siegrist, 2024-11-11 The South is often perceived as a haunted place in its region's literature one that is strange deviant or queer The peculiar often sexually charged literary worlds of contemporary writers like Fannie Flagg Monique Truong and Randall Kenan speak to this connection between queerness and the South Heidi Siegrist explores the boundaries of negotiating place and sexuality by using the concept of Southernness a purposefully fluid idea of the South that extends beyond simple geography eschewing familiar ideas of the Southern canon When the connection between queerness and Southernness becomes apparent Siegrist shows a Southern branded queer deviance can not only change the way we think about literature but can also change Southern queer people's lived experiences Siegrist gathers a bevy of undertheorized writers from Kenan and Truong to Dorothy Allison and even George R R Martin showing that there are many queer Souths Siegrist offers these multiverses as a

way to appreciate a place that is often unfriendly even deadly to queer people But as Siegrist argues none of these Souths from the terrestrial to the imaginary would be what they are without the influence and power of queer literature

Revelation's Great Love Story Larry L. Lichtenwaller, 2008 The Book of Revelation The Apocalypse Words that often call to mind bizarre creatures strange seals dreadful plagues and a slew of other mystifying symbols Most of us approach this last book of the Bible with forebodings rather than hope To us John's vision seems more like a nightmare But the elderly apostle begins with a statement that doesn't seem to fit the rest of the book The revelation of Jesus Christ Apparently he intends to unveil something tremendously important about Jesus Something life changing Something we can't afford to miss Larry Lichtenwaller explores a side of Revelation seldom portrayed Christ's passionate love for humanity This recurring theme subtly appears in the imagery and symbolism throughout John's vision The slain Lamb The divine protective sealing The blood bleached white robes The heart wrenching prayer of the saints Without Christ's love these scenes and symbols would mean nothing Ultimately John's vision reveals the extraordinary love of our Savior for His rebellious undeserving children and the incredible reasons we can love Him in return **Outlines of Dogmatic Theology** Sylvester Joseph Hunter, 1896

Screening The Sacred Joel Martin, Conrad E. Ostwalt Jr., 2018-03-05 What are the religious impulses in the 1976 film *Rocky* and how can they work to shape one's social identity Do the films *Alien* and *Aliens* signify the reemergence of the earth goddess as a vital cultural power What female archetypes borne out of male desire inform the experience of women in *Nine and a Half Weeks* These are among the several compelling questions the authors of this volume consider as they explore the way popular American film relates to religion Oddly religion and film two pervasive elements of American culture have seldom been studied in connection with each other In this first systematic exploration the authors look beyond surface religious themes and imagery in film discovering a deeper implicit presence of religion They employ theological mythological and social and political criticism to analyze the influence of religion in all its rich variety and diversity on popular film Perhaps more importantly they consider how the medium of film has helped influence and shape American religious culture secular or otherwise More than a random collection of essays this volume brings to the study of religion and film a carefully constructed analytic framework that advances our understanding of both *Screening the Sacred* provides fresh and welcome insight to film criticism it also holds far reaching relevance for the study of religion Progressive in its approach instructive in its analyses this book is written for students scholars and other readers interested in religion popular film and the impact of each on American culture
