One Spring Day Knowing God 1:

Nudges from Heaven Tammy Roy, 2021-03-15 There are certain experiences in one's life that would seem best forgotten. Other moments are a celebration and collection of incredible experiences resembling a beautiful tapestry which should be displayed. This book is a combination of both the moments fondly remembered as well as the ones well the ones when I wish I would have listened to the prompts of heaven. Throughout our lives we all experience nudges from heaven and with such a nudge comes a choice. The choices we make affect those around us especially those closest to us. Every choice has a ripple effect either for good or bad. This book provides an inside look at some of the choices I've made in the hopes that you will recognize God's voice and feel His nudge in helping you navigate this thing we call life. *Your New Beginning Awaits.*

Susan Bimes, 2016-07-11 As you read my books it is my desire for you to be transformed transformed into all you were created to be not what the world tells you not what your friends tell you and not what people expect from you. But what God has planned for you. God has poured into my heart so many times and in so many ways I started writing it down it has now gone from a journal to devotions to bible study for my ladies group to books may my hearts cry be your comfort and allow you to know you are never alone and you're not the only one to go through the things you may be feeling right now. God bless you and the world. *Murder and God's Redeeming Love*

Mickel Millard, 2014-04-08 On April 23 1971 fourteen year old Mickel's mother Roberta Howe Millard was murdered by her estranged husband. It was the culmination of years of violence and abuse. From that day on for thirty years Mickel's life spun out of control as his unresolved anger led to alcoholism broken marriages and trouble with the law. Just when all hope was lost and he was in total despair Mickel surrendered his life to the Lord. *Murder And God's Redeeming Love* is a true story hitting at the heart of a serious social the abuse her six children would suffer at the hands of their father yet the most important aspect of this publication is the life application principles that can lead it's readers to a new found hope and healing.

J. Peter Baumgarten, 2025-07-11 The idea of predestination which seems to have a scriptural basis is actually a Trojan horse. While appearing to many to be a gift of grace it is actually full of deceptions and completely inconsistent to the plan of salvation holding that man has no free choice and that God has already selected a favored few of his children for salvation while committing the rest most of mankind to damnation regardless of merit. To explore this subject with maximum clarity I will present the doctrine of predestination in sharp relief to the true doctrines of the wondrous plan of salvation for all mankind. This presentation includes a detailed description of what the doctrine consists of its origin and history the scriptural authority referenced to support the doctrine its implications and a discussion of how and why the idea of predestination is inconsistent and at odds with the gospel of Jesus Christ. To better introduce this subject I begin the first chapter of this book with a personal experience an experience that heightened
