The Influential Christian Michael W. Andrews, 2021-10-15 As Christians each of us is called to bring people together through the Spirit of God By developing our

inner character our heart we can have a greater role in other people's lives and others can have more significance in our own growth as leaders. Genuine influence is a deep summons to our most authentic selves, an exciting exploration that is often missing in our culture of quick fixes and easy advice. In *The Influential Christian*, Michael W. Andrews reveals how engaging in spiritual practices that exercise empathy allows us to cultivate influence in our personal, professional, and spiritual lives. Drawing upon God's spiritual resources as we interact with other people, we build the integrity necessary to be empathic leaders. As readers will discover, building character is much more than completing a checklist of self-improvement initiatives; it's a pilgrimage into the full meaning of being human and being Christian.

Maximize Nelson Searcy, Jennifer Dykes Henson, 2021-05-11. Turn First Time Givers into Generous Stewards. *Maximize* is the ultimate how-to book for pastors and church leaders who long for their churches to be able to carry out ministry initiatives. Shining a light on the often taboo subject of money, *Maximize* offers a proven step-by-step plan for maximizing financial gifts while growing strong disciples. You'll learn how to cultivate first-time givers, challenge people to tithe, develop an ongoing stewardship system, follow up with givers the right way, develop multiple giving options, shepherd the five types of givers in your church, educate people to grow in the grace of giving. Stewardship is an essential part of discipleship. This biblical process will chase the money discussion out of the darkness and turn first-time givers in your church into generous stewards of financial gifts.

World Libraries on the Information Superhighway: Preparing for the Challenges of the New Millennium Bertot, John Carlo, Fletcher, Patricia Diamond, 1999-07-01. Currently little is known about library experience and success in providing Internet-based services to library patrons. Some studies conducted in the United States indicate that this is an area of great uncertainty into which libraries are hesitant to venture. Issues such as planning, budgeting, and costs, and types of services are some of the areas of concern. *World Libraries on the Information Superhighway: Preparing for the Challenges of the New Millennium* explores issues of Internet-based services in libraries and provides practitioners and educators with examples of libraries that have achieved success in this important emerging information area.
