On the Corposphere José Enrique Finol, 2021-06-08 The book presents and analyzes some of the most important issues related to the body seen as a rich and complex anthropological and semiotic object capable of playing a decisive role in the meaning making processes of cultural and social life The analysis presented in this book opens a whole set of new venues for the study of body performances and representations and shows how the embodiment of social and cultural life shape our world In all of its relationships and in itself our body works in a sort of corposphere which is in turn part of the semiosphere defined by Lotman as a continuum occupied by different types of semiotic formations It is from in by the body that all semiosis begins and ends it is in its presence and absence in its being and in its presentation amidst the lived situational life where we might discover and shape the senses of the world Many different academic fields will find in this book deep insights about how the body is at the center of cultural and social processes

Seed Falling on Good Soil Gordon W. King, 2016-05-16 Seed Falling on Good Soil is a unique book that combines a historically informed approach to Lucan parables with a critical understanding of social justice issues of our own age. The author proposes that the stories told by Jesus were narratives of resistance challenging audiences to participate in the personal and social transformation of God's kingdom. The author's experience in international community development provides a perspective rarely found among New Testament specialists. The book uses stories from the margins of our current world to connect the message of the parables with global issues of poverty, ethnic violence, gender discrimination, hunger, and oppression. This book will appeal to people who long for the healing of a wounded world.

Jesuits at the Margins Alexandre Coello de la Rosa, 2015-12-07 In the past decades, historians have interpreted early modern Christian missions not simply as an adjunct to Western imperialism but a privileged field for cross-cultural encounters. Placing the Jesuit missions into a global phenomenon that emphasizes economic and cultural relations between Europe and the East, this book analyzes the possibilities and limitations of the religious conversion in the Micronesian islands of Guahan or Guam and the Northern Marianas. Frontiers are not rigid spatial lines separating culturally different groups of people but rather active agents in the transformation of cultures. By bringing this local dimension to the fore, the book adheres to a process of missionary globalization which allowed Chamorros to enter the international community as members of Spain's regional empire and the global communion of the Roman Catholic Church.

El Evangelio de Juan. La construcción de un texto complejo: Orígenes históricos y proceso compositivo Gonzalo Fontana Elboj, 2015-02-02 Sin cesar intentamos resolver la cuestión de la génesis del cuarto evangelio desde varias teorías que llevaban a más aprietos y daban en peores incoherencias. A von Harnack. Hoy y tras un siglo de avances críticos sigue vigente el enigma que atribulaba al sabio alemán. Este trabajo pues sugiere una posible solución al problema a través de una hipótesis que contempla la obra como resultado de varias operaciones editoriales sucesivas. Proceso que además se ubica en un contexto histórico concreto: una historia que comenzó en Samaria y culminó en Asia Menor que determina la propia peripecia redaccional del texto.

Tú, sígueme: caminar con el Evangelio Jesús Ortiz López, 2024-05-07 La Iglesia propone el 2024 como Año de la Oración para recuperar el deseo de Dios de escucharlo y adorarlo. Porque cuando el hombre encuentra el Norte de su vida reconoce su dignidad como hijo de Dios y su misión en el mundo. Puede ver la dignidad del prójimo y enriquecer la convivencia en sociedad. El diálogo con Jesucristo lleva al Padre y así encontramos el valor de la familia y del trabajo que colabora con la creación. Este libro Tú sígueme es una suerte de peregrinación siguiendo con libertad los

tiempos litúrgicos para caminar en el mundo con radical esperanza Dios está a favor del hombre y te espera cada día para que hables con él.

Divino Compañero Sammy Alfaro, 2010-09-01 *Divino Compañero* explores the necessary foundations for constructing a Hispanic Pentecostal Christology. Although traditionally Pentecostal Christologies have been anchored in a two nature Chalcedonian model, Alfaro proposes that Spirit Christology is a more suitable paradigm for a Hispanic Pentecostal Christology provided it is grounded in the experience, faith, and worship of its community and oriented toward liberative praxis. After reviewing the christological reflection of early Pentecostals and the contemporary turn to Spirit Christology, Alfaro lays out the main components needed to construct a christological model born out of the Hispanic Pentecostal reality rooted in the broader Pentecostal christological imagination and informed by the Pentecostal way of doing theology. Following this method, Alfaro concludes the central metaphor of Hispanic Pentecostal Christology is *El Divino Compañero* for in their pilgrimage through this world it is Jesus the Divine Companion who through the Spirit guides and nurtures his followers on their way back home.

Grandes Misterios del Cristianismo José Gregorio González Gutiérrez, 2010-01-01 *Contra la idea de la Santa Sede de que el cristianismo es un dogma monolítico y un corpus cerrado de creencias existen numerosos fenómenos al margen del dogma alguno de ellos cercanos a la herejía. El cristianismo no es un fenómeno hermético cerrado en donde solo cabe el dogma; lejos de esto existen numerosos sucesos heterodoxos en los márgenes, algunos de ellos contradictorios o directamente heréticos.* *Grandes misterios del Cristianismo* analiza los mitos cristianos como el Arca de Noé o la Sibila Santa, las profecías de San Malaquías o del papa Juan XXIII y entre muchas otras cosas analiza figuras tan controvertidas como Lutero o María Magdalena y consigue hacernos llegar la imagen de un credo plural, móvil y plagado de matices. José Gregorio González bucea en fuentes como el famoso Documento Q, los Manuscritos del Qumran o los evangelios apócrifos o incluso aborda los evangelios de Judas para mostrar los hechos de la historia del cristianismo que se encuentran en los márgenes de la historia oficial. Nos muestra hechos tan significativos como el exorcismo de María Magdalena, las precisas predicciones de San Malaquías con la elección de todos y cada uno de los papas hasta la actualidad, los distintos restos del Arca de Noé que se han encontrado a lo largo de la historia o las falsificaciones de reliquias tan relevantes como la Sibila Santa. También conoceremos a fondo a personajes tan determinantes como Lutero con una vida plagada de apariciones divinas y algunas que actualmente se consideran en contacto con alienígenas. Los mitos, las leyendas y los misterios del cristianismo contados de una manera directa y fundamentada, el verdadero paradero de la tumba de Cristo o del Arca de la Alianza basado en fuentes fiables y transmitido de un modo didáctico y accesible. Razones para comprar la obra *El cristianismo es un tema con una enorme relevancia para millones de personas en toda su profundidad y en todos sus matices.*
