Takazawa launched his own investigation of what the group had actually been doing for two decades even traveling to Europe to follow traces there An example of superb investigative journalism *Destiny The Secret Operations of the Yodog Exiles* offers K ji Takazawa s powerful story of how he exposed the Yodog group s involvement in the kidnapping and luring of several young Japanese to North Korea as well as the truth behind their Japanese wives presence in the country Takazawa s careful research was validated in 2002 when the North Korean government publicly acknowledged it had kidnapped thirteen Japanese citizens during the 1970s and 1980s including three people whom Takazawa had connected to the Yodog hijackers Embedded in his pursuit toward what truly happened to the Yodog members is Takazawa s personal reflection of the 1970s a decade when radical student activism swept Japan and what it meant to those whose lives were forever changed
