Gardiner, 2025 This volume of new essays focuses on the increasing relevance of intergenerational ethics to key challenges of the 21st century such as climate change rapid technological change the expanding human population and threats of extinction It features philosophers and political theorists of international standing providing a cutting edge perspective on these issues One Child Sarah Conly, 2015 Sarah Conly argues that at present we do not have the right to have more than one child We do not need to have more than one to live a good life and having more than one when we are at risk of depleting our environmental resources is simply too dangerous to others *The Complete Works of Thomas Dick* Thomas Dick, 1850 **Corruption Conundrum and Other Paradoxes and Dilemmas** V Raghunathan, 2010-05-04 How can you be a well known secret agent Why is the only voting method that isn't flawed a dictatorship How is it that Corruption is universally disapproved of and yet universally practised The world of dilemmas and paradoxes touch our lives on a regular basis In *The Corruption Conundrum and Other Paradoxes and Dilemmas* V Raghunathan the author of the best seller *Games Indians Play* shares the charms of some of the more interesting examples allowing us to delight in the excitement mystery confusion exasperation and that occasional flash of clarity and enlightenment often experienced when the world of paradoxes and dilemmas hits our own The book takes the reader through some of the fascinating illustrations classical and well known as well as the less common examples in the field of management finance and work life Can two positives make a negative Sample a charming little paradox discussed in the book the blackmail paradox It is perfectly legal if you gossip reveal or threaten to reveal somebody's secret unless of course you are bound by a non disclosure agreement It is also perfectly legal to ask that somebody for some money But if you undertake a combination of the two acts each perfectly legal by itself with respect to somebody well you are a criminal a blackmailer Following the same easy readable style of his previous best seller *Games Indians Play* this new book should make absorbing reading and will certainly make you more curious about the world that surrounds us *Country Reports on Human Rights Practices for 1999* United States.
