For the Love of Mike Mike Royko, 2001-04-28 A collection of more than one hundred columns by Pulitzer Prize winning author Mike Royko

Rooting for the Home Team Daniel A. Nathan, 2013-05-01 Rooting for the Home Team examines how various American communities create and maintain a sense of collective identity through sports Looking at large cities such as Chicago Baltimore and Los Angeles as well as small rural towns suburbs and college towns the contributors consider the idea that rooting for local athletes and home teams often symbolizes a community s preferred understanding of itself and that doing so is an expression of connectedness public pride and pleasure and personal identity Some of the wide ranging essays point out that financial interests also play a significant role in encouraging fan bases and modern media have made every seasonal sport into yearlong obsessions Celebrities show up for big games politicians throw out first pitches and taxpayers pay plenty for new stadiums and arenas The essays in Rooting for the Home Team cover a range of professional and amateur athletics including teams in basketball football baseball and even the phenomenon of no glove softball Contributors are Amy Bass Susan Cahn Mark Dyreson Michael Ezra Elliott J Gorn Christopher Lamberti Allison Lauterbach Catherine M Lewis Shelley Lucas Daniel A Nathan Michael Oriard Carlo Rotella Jaime Schultz Mike Tanier David K Wiggins and David W Zang

Judge Aaron Jaffe: Reforming Illinois Charles M. Barber, 2016-03-19 Judge Aaron Jaffe Reforming Illinois is an oral history of Aaron Jaffes legislative judicial and executive branch careers It is also a story of how the author met Judge Jaffe and gained wisdom from a master politician operating in one of America s most notorious political battlegrounds As legislator Jaffe changed rape laws to reflect victims perspectives Though white he was recruited to the Black Caucus because of a better voting record than other legislators black or white As judge he presided over divorce laws he passed as legislator and in Chancery Court preserved the Auditorium Theatre for

Roosevelt University As chair of the Illinois Gaming Board he kept Illinois from adding other episodes to its scandal ridden traditions In mutual appreciation Aaron Jaffe listened to stories of genuine characters in Illinois politics that defy the imagination of fiction writers Their hilarious foibles machinations and insights appear in this volume alongside Judge Jaffe s witty observations about humans as political animals **The Man with the Golden Arm** Nelson Algren,2011-01-04 A novel of rare genius The Man with the Golden Arm describes the dissolution of a card dealing WWII veteran named Frankie Machine caught in the act of slowly cutting his own heart into wafer thin slices For Frankie a murder committed may be the least of his problems The literary critic Malcolm Cowley called The Man with the Golden Arm Algren s defense of the individual while Carl Sandburg wrote of its strange midnight dignity A literary tour de force here is a novel unlike any other one in which drug addiction poverty and human failure somehow suggest a defense of human dignity and a reason for hope

100 Entertainers Who Changed America Robert C. Sickels,2013-08-08 This fascinating and thought provoking read challenges readers to consider entertainers and entertainment in new ways and highlights figures from outside the worlds of film television and music as influential pop stars Comprising approximately 100 entries from more than 50 contributors from a variety of fields this book covers a wide historical swath of entertainment figures chosen primarily for their lasting influence on American popular culture not their popularity The result is a unique collection that spotlights a vastly different array of figures than would normally be included in a collection of this nature and appeals to readers ranging from high school students to professionals researching specific entertainers Each subject individual s influence on popular culture is analyzed from the context of his or her time to the present in a lively and engaging way and through a variety of intellectual approaches Many entries examine commonly discussed figures influence on popular culture in ways not normally seen for example the widespread appeal of Woody Allen s essay collections to other comedians or the effect of cinematic adaptations of Tennessee Williams plays in breaking down Hollywood censorship **The Third City** Larry Bennett,2024-05-31 Our traditional image of Chicago as a gritty metropolis carved into ethnically defined enclaves where the game of machine politics overshadows its ends is such a powerful shaper of the city s identity that many of its closest observers fail to notice that a new Chicago has emerged over the past two decades Larry Bennett here tackles some of our more commonly held ideas about the Windy City inherited from such icons as Theodore Dreiser Carl Sandburg Daniel Burnham Robert Park Sara Paretsky and Mike Royko with the goal of better understanding Chicago as it is now the third city Bennett calls contemporary Chicago the third city to distinguish it from its two predecessors the first city a sprawling industrial center whose historical arc ran from the Civil War to the Great Depression and the second city the Rustbelt exemplar of the period from around 1950 to 1990 The third city features a dramatically revitalized urban core a shifting population mix that includes new immigrant streams and a growing number of middle class professionals working in new economy sectors It is also a city utterly transformed by the top to bottom reconstruction of public housing developments and the ambitious provision of public works

like Millennium Park It is according to Bennett a work in progress spearheaded by Richard M Daley a self consciously innovative mayor whose strategy of neighborhood revitalization and urban renewal is a prototype of city governance for the twenty first century The Third City ultimately contends that to understand Chicago under Daley s charge is to understand what metropolitan life across North America may well look like in the coming decades **Chicago Portraits** June Skinner Sawyers,2012-03-31 The famous the infamous and the unjustly forgotten all receive their due in this biographical dictionary of the people who have made Chicago one of the world s great cities Here are the life stories provided in short entertaining capsules of Chicago s cultural giants as well as the industrialists architects and politicians who literally gave shape to the city Jane Addams Al Capone Willie Dixon Harriet Monroe Louis Sullivan Bill Veeck Harold Washington and new additions Saul Bellow Harry Caray Del Close Ann Landers Walter Payton Koko Taylor and Studs Terkel Chicago Portraits tells you why their names are inseparable from the city they called home **Nelson Algren** Richard F. Bales,2024-11-07 This book addresses critical gaps in existing biographies of Nelson Algren providing new perspectives on his writing style literary contributions professional colleagues and personal life especially his relationship with Simone de Beauvoir Although Beauvoir maintained a simultaneous relationship with philosopher Jean Paul Sartre the correspondence exchanged between Beauvoir Algren and Sartre as this book discusses sheds new light on her transatlantic love affair with Algren Moreover this work challenges the assertion that Algren s writing aligns seamlessly with the New Journalism style popularized by Tom Wolfe It investigates how Algren s literary legacy might have diverged had he embraced more of the principles associated with New Journalism

Chicago For Dummies Laura Tiebert,2005-07-08 From the incredible new Millennium Park to the Magnificent Mile Cubs games to theater intimate jazz haunts to grand symphony halls deep dish pizza to 5 Star dining art boutiques to incredible museums Chicago has it all And this guide makes exploring the Windy City a breeze with Info on how to get around A shopper s guide for power shopping or bargain hunting 4 great itineraries that help you make the most of your time 10 Oh so Chicago experiences Like every For Dummies travel guide Chicago For Dummies Third Edition includes Down to earth trip planning advice What you shouldn t miss and what you can skip The best hotels and restaurants for every budget Handy Post it Flags to mark your favorite pages The Polish American Encyclopedia James S. Pula,2010-12-22 At least nine million Americans trace their roots to Poland and Polish Americans have contributed greatly to American history and society During the largest period of immigration to the United States between 1870 and 1920 more Poles came to the United States than any other national group except Italians Additional large scale Polish migration occurred in the wake of World War II and during the period of Solidarity s rise to prominence This encyclopedia features three types of entries thematic essays topical entries and biographical profiles The essays synthesize existing work to provide interpretations of and insight into important aspects of the Polish American experience The topical entries discuss in detail specific places events or organizations such as the Polish National Alliance Polish American Saturday Schools and the Latimer Massacre among others The biographical

entries identify Polish Americans who have made significant contributions at the regional or national level either to the history and culture of the United States or to the development of American Polonia The Word That Redescribes the World Walter Brueggemann, 2006-02-22 In the last several years Walter Brueggemann's writings have directly addressed the situation of Christian communities in today's globalized context with its consumerist lifestyles vast inequalities and near imperial exercises of power His insights forged in rugged encounters with the texts of the Old Testament are sharp painful and indispensable In the people Israel Brueggemann finds a model of an alternative community anchored in YHWH ever exploring new possibilities and prophetically bent against empire Part I The Word Redescribing the World Part II The Word Redefining the Possible Part III The Word Shaping a Community of Discipleship **Ralph Kiner** Robert P. Broadwater, 2016-04-13 Ralph Kiner 1922 2014 was one of the most feared power hitters of his era Babe Ruth predicted Kiner would be the slugger most likely to break Ruth's single season home run record While the left fielder from New Mexico missed that mark he did break one of the Babe's records leading his league in home runs for seven consecutive seasons a record unbroken since Kiner set his records while playing for some of the worst teams ever to take the field With little support in the Pittsburgh Pirates lineup pitchers were often able to work around Kiner walking him dozens of times per season Despite this Kiner made them pay for their mistakes sending towering flies over the fences After just 10 years in the league Kiner's career on the field was cut short by chronic back pain At retirement his 369 home runs placed him sixth on the all time list He didn't leave baseball however serving as general manager of a minor league team and later announcing for the newly formed New York Mets in 1962 where he would be the voice of the team for more than fifty years This is his story *A Nice Little Place on the North Side* George Will, 2014-03-25 Now with bonus material on the Chicago Cubs World Series win the New York Times bestselling history of America's most beloved baseball stadium Wrigley Field and the Cubs century long search for World Series glory In *A Nice Little Place on the North Side* leading columnist George Will returns to baseball with a deeply personal look at his hapless Chicago Cubs and their often beatified home Wrigley Field as it enters its second century Baseball Will argues is full of metaphors for life religion and happiness and Wrigley is considered one of its sacred spaces But what is its true hyperbole free history Winding beautifully like Wrigley's iconic ivy Will's meditation on *The Friendly Confines* examines both the unforgettable stories that forged the field's legend and the larger than life characters from Wrigley and Ruth to Veeck Durocher and Banks who brought it glory heartbreak and scandal Drawing upon his trademark knowledge and inimitable sense of humor Will also explores his childhood connections to the team the Cubs future and what keeps long suffering fans rooting for the home team after so many years of futility In the end *A Nice Little Place on the North Side* is more than just the history of a ballpark It is the story of Chicago of baseball and of America itself *Illinois Justice* Kenneth A. Manaster, 2015-09-22 Illinois political scandals reached new depths in the 1960s and 70s In *Illinois Justice* Kenneth Manaster takes us behind the scenes of one of the most spectacular The so called Scandal of 1969 not

only ended an Illinois Supreme Court justice's aspirations to the US Supreme Court but also marked the beginning of little known lawyer John Paul Stevens's rise to the high court. In 1969, citizen gadfly Sherman Skolnick accused two Illinois Supreme Court justices of accepting valuable bank stock from an influential Chicago lawyer in exchange for deciding an important case in the lawyer's favor. The resulting feverish media coverage prompted the state supreme court to appoint a special commission to investigate. Within six weeks and on a shoestring budget, the commission mobilized a small volunteer staff to reveal the facts. Stevens then, a relatively unknown Chicago lawyer, served as chief counsel. His work on this investigation would launch him into the public spotlight and onto the bench. Manaster, who served on the commission, tells the real story of the investigation, detailing the dead ends, tactics, and triumphs. Manaster expertly traces Stevens's masterful courtroom strategies and vividly portrays the high-profile personalities involved, as well as the subtleties of judicial corruption. A reflective foreword by Justice Stevens himself looks back at the case and how it influenced his career. Now the subject of the documentary *Unexpected Justice: The Rise of John Paul Stevens*, Manaster's book is both a fascinating chapter of political history and a revealing portrait of the early career of a Supreme Court justice.

Introduction to Pragmatics Betty J. Birner, 2025-08-08. A new edition of an essential pragmatics textbook updated for a new generation of students. *Introduction to Pragmatics* equips students with a comprehensive understanding of how context shapes language, covering both foundational concepts and cutting-edge issues with an interdisciplinary approach. Assuming no previous background in the subject, this student-friendly textbook describes how meaning is created and interpreted. This fully revised new edition addresses contemporary questions surrounding language in society, with increased focus on technological trends and real-world applications of pragmatics. Updated chapters explore politeness theory, presupposition, the boundary between semantics and pragmatics, the pragmatics of linguistic diversity and speech communities, the philosophical background of pragmatics, and the role of language in law, advertising, and politics. Two entirely new chapters on social pragmatics and artificial intelligence (AI) are accompanied by expanded material on noncanonical syntax, information structure, and lexical pragmatics. Offering an ideal balance between theoretical foundations and practical applications, *Introduction to Pragmatics, Second Edition* provides clear and accessible explanations of complex concepts such as presupposition, implicature, inference, and optimality theory. Engages with AI and machine communication, exploring the implications for human language interaction. Offers fresh examples, comprehension exercises, and discussion questions to engage students in real-world language analysis. Features new case studies that focus on contemporary issues such as politics and propaganda. *Introduction to Pragmatics, Second Edition* is the ideal textbook for undergraduate and graduate courses in pragmatics and semantics, as well as related courses in linguistics and language education.

The Short Writings of Nelson Algren Richard F. Bales, 2022-09-22. Nelson Algren was a renowned Chicago writer known for his social commentary and his novels like *The Man with the Golden Arm* and *A Walk on the Wild Side*. Although he continues to be remembered almost exclusively for his

novels this book aims to highlight the value and influence of his short form works Before he died in 1981 Algren had amassed a genre defying body of work including short stories articles poems and book reviews The present book features a comprehensive analysis and discussion of Algren s lost literature including everything but his novels One of the pieces covered is a masterpiece of race relations written in 1950 more than 60 years before the galvanization of the Black Lives Matter movement Another is a scathing poem about Algren s transatlantic love affair with Simone de Beauvoir Both items are reprinted in the book courtesy of the Algren estate This book also includes references to Algren s works that have yet to be studied by Algren scholars

Monsters Rich Cohen,2013-10-29 The New York Times bestselling gripping account of a once in a lifetime team and their lone Super Bowl championship season A solid oral history Cohen lays bare his pride and compassion for the warriors who brought glory to Chi Town for one unforgettable moment Entertainment Weekly A Payton Hampton McMahon and Ditka even the casual football fan recognizes these names the pillars of the 1985 Chicago bears Walter Sweetness Payton the fleet footed running back Dan Hampton the hard charging defensive tackle known as the Danimal Jim McMahon the punky quarterback changing plays on the fly and Mike Ditka the hotheaded mustachioed head coach In Monsters author Rich Cohen breathlessly recounts the thrilling narrative of their 1985 championship season It s a story filled with outsized characters and unbelievable but true anecdotes gleaned from extensive interviews with the players themselves It s a story about fathers and sons love and loyalty hope and redemption and pain and joy It s a story about football in all its beauty and brutality the uniquely American sport These are the 1985 Chicago Bears as only Cohen could describe them You ll never see the team or the game or your own childhood idols the same way again Terrific One of the book s great joys is its successful efforts to tie the threads of the past through the story Chicago Tribune This book full of soul and searching and also knock you down funny is not just a great sports book not just a great Chicago book but a great book period Dave Eggers

Evil and the Problem of Jesus Gary Commins,2025-01-30 Approaching the problem of evil from an alternative angle Evil and the Problem of Jesus offers a Christ centred approach as an antidote to traditional theodicy Gary Commins discussion provides original insights into divine power presence and love allowing readers to reengage with the God whom Jesus reveals and the evil that Jesus challenges In this study Jesus stands as a model for full humanity crafting new ways to imagine personal relationships with God and with evil Evil and the Problem of Jesus draws on pastoral experiences of tragedy suffering and evil alongside philosophical and biblical insights and Jesus own complex interactions with evil Commins offers thoughtful conceptual frameworks to help the reader live more faithfully compassionately wisely and justly in response to evils around us and within us
