Get in the Game Kevin Atlas, 2020-02-25 Be inspired by the story of Kevin Atlas formerly Laue whose faith and perseverance helped him become an NCAA Division I basketball player despite being born with only one arm Even before entering the world Kevin Atlas was a fighter He should have died in childbirth as the umbilical cord was wrapped around his neck twice but he survived because his left arm was in the middle of it allowing blood to flow to his brain But since circulation was cut off in that arm he was born with his left arm ending just below his elbow GET IN THE GAME is Kevin s story of transformation Moving from anger to joy From embarrassment to confidence From the sidelines and wishing his life was different to getting in the game and showing who he is Kevin s arduous journey to earning a scholarship to Manhattan College in New York City and becoming the first NCAA Division I basketball player missing a limb has given him keen insights to help anyone who feels trapped and defeated by less than perfect circumstances whether physical mental or environmental Kevin doesn t encourage readers to simply accept and live with their challenges hurts and losses He spurs them on to believe any weakness can in reality become the one thing that propels them to achieve their greatest potential As Kevin has learned throughout his life you can t win if you don t get in the game

One Warrior Joshua Chase, 2014-12-03

In Joshua Chase's new book *One Warrior* Josh boldly reminds readers we are blood ransomed warriors of the risen King Jesus Christ. This book will inspire you to stand and fight for that which has already been granted by God. He reminds us that we are not just men but that we are warriors for God's Kingdom. We are not just part of God's plan; we have purpose in it. It only takes one warrior to change the direction of a battle; one warrior to stand up and be willing to advance God's Kingdom. This book is a call for men to rise up in their realm of influence and rally other men around them; it is a call to the fight. This book will awaken you to the supernatural war going on around you and equip you for the fight. Though this book is written for men, it will inspire any believer, man or woman, to embrace who God is calling them to be. If you are ready to take your place on the battlefield, this book is for you.

The Warrior's Spirit Pasquale De Marco, 2025-05-21

In the heart of Aotearoa New Zealand, where the winds whisper tales of ancient battles and the spirits of warriors still roam the land, a legend was born. His name was Te Rauparaha, and his story is one that will forever be etched in the annals of history. Te Rauparaha was a man of vision and courage, a warrior who dared to stand against the tide of European colonization that threatened to engulf his homeland. From humble beginnings, he rose to become a leader of his people, uniting the tribes and forging a path of resistance against the encroaching forces. His journey was fraught with danger and adversity. He witnessed the horrors of war, the death of loved ones, and the betrayal of allies. Yet, through it all, he never wavered in his resolve to protect his people and preserve their way of life. Te Rauparaha was a brilliant strategist and a fierce warrior. He used his knowledge of the land and his people's traditions to outwit and outmaneuver his enemies. He formed alliances with other tribes, uniting them against the common foe. And he never gave up, even when the odds seemed insurmountable. His story is a testament to the indomitable spirit of the human heart, a reminder that even in the darkest of times, hope can prevail. It is a story of courage, resilience, and unwavering determination that will inspire and move you long after you have finished reading it. In this captivating book, you will journey alongside Te Rauparaha as he fights for his people, his land, and his freedom. You will witness the rise of a legend from humble beginnings to the heights of leadership and glory. You will experience the triumphs and tragedies, the love and loss, the betrayals and redemptions that shaped his extraordinary life. Te Rauparaha's story is a timeless tale of courage, resilience, and the enduring power of the human spirit. It is a story that will stay with you long after you have finished reading it. Naked and Unafraid Kevin Gerald, 2020-02-04

Celebrate a vulnerable and open life by overcoming your fear of criticism and start living the life God intended. Fear of criticism has turned into a massive epidemic, harder than ever to overcome. It prevents people from speaking up; it's why most people struggle to make decisions; it's why we're uncomfortable with vulnerability and openness; and it's why so many are unable to meet their full potential. But it doesn't have to be that way. Through the Bible story of King David dancing naked in the streets while his distant, guarded, and critical wife watches from a window, *Naked and Unafraid* provides a visual contrast of these two characters that sheds light on the way we all approach life and explains how the fear of criticism impacts our lives much

more than we realize or are willing to admit God didn't create us to live guarded isolated lives Our greatest fulfillment isn't found in the window It's found in the street Everything in our lives including our relationships our work our emotional and spiritual health gets better in a place of openness and vulnerability But that doesn't mean it's easy because it's not Vulnerability is risky Exposure is scary Naked and Unafraid pushes readers to Find the courage to not let criticism control or determine who they are and what they do Stop living in the shallow end of relationships and experience the rewards that true vulnerability can bring Abandon smallness and live the life they were born to live Discover how the fear of criticism diminishes in direct proportion to understanding it Reject the limitations and inhibitions of window living so they can experience the freedom and rewards of street life Confront their own worst critic that counts them out of what God has included them in God will help you move away from window watching and toward street dancing Know who He says you are and live in that freedom

a year later ushered in a bloody three year war A Biafran Odyssey is the story of a Biafran youngster Chidi who convinced about the unequivocal legitimacy of Biafra s claim to self determination left home to join the army but returned two years later at the end of the war with many unanswered questions and a sobering notion about his world Chidi tells his story of Biafra the way it was never told featuring the emotional vagaries to which his comrades and himself were subjected to their woes their cries and ironically their laughs too revealing some of the weird aspects of one of the most brutal ethnic conflicts of post colonial Africa With short poems and love scenes like the short lived affair between himself and Bernadette Chidi portrays without being too salacious albeit unique with African stories some of the discomfits of transforming from adolescent into adulthood on a fast lane
