Transnational Social Work and Social Welfare Beatrix Schwarzer,Ursula Kämmerer-Rütten,Alexandra Schleyer-Lindenmann,Yafang Wang,2016-08-05 The underlying frame of social work is the nation state and it is from within the state that welfare strategies and social policies are devised and implemented However post colonialism globalisation migration and the associated implications for human rights social justice and social welfare policies contest the idea of a clearly defined space for social work and present new challenges for researchers and practitioners Transnational Social Work and Social Welfare argues for the increased importance of the transnational perspective in social work theory and practice The book challenges the idea of the nation state as a given entity and argues that globalization and an increasing number of people crossing borders must have an impact on the theories and strategies of social work The international contributors are critical of a restricted focus on a geographically defined space and the impact on work with clients With cases covering China France India UK Germany Malaysia Israel Turkey the book highlights the challenges as well as the opportunities this new perspective can open up for theories and strategies in social work It will be of interest to students researchers and social workers interested in migration social care poverty and cultural competency in health and social care *Resilience Enhancement in Social Work Practice* Roberta Greene,Nancy Greene,Connie Corley,2023-09-28 As people around the globe experience more civil unrest and environmental disruption the difficulties social workers face in their practice are becoming increasingly complex This textbook deepens and expands the resilience enhancing stress model RESM skill set and techniques so that social workers can more effectively serve clients and constituencies who are trying to overcome the stress of difficult life transitions and challenging environmental demands It is designed as a companion piece to A Resilience

Enhancing Stress Model A Social Work Multisystemic Practice Approach Springer 2022 The intent of the RESM is to further expand social workers practice skill sets with additional concepts from the anti oppressive practice AOP and coaching literature that aligns with the Educational Policy and Accreditation Standards from the Council on Social Work Education CSWE The book s 12 chapters are organized around life transitions and illustrate skills techniques and interviews important to the enhancement of resilience Among the topics covered The Resilience Enhancing Stress Model Articulating Anti Oppressive Practice Exploring the Role of Cultural Diversity in Resilient Social Functioning Theory and Skills Countering Human Rights Violations During Life Transitions Facilitating Community Development Following Disruption Resilience Enhancement in Social Work Practice Anti Oppressive Social Work Skills and Techniques uniquely offers practitioners a knowledge base to exponentiate their efficacy in identifying and fortifying resilience in a time in history when it appears to be imperative It is written for a student social work audience at the generalist or advanced generalist level for practice across a range of populations and settings It contains traditional and contemporary human behavior content that supports a social work narrative methodology and a life course perspective It could be taught with its predecessor across one or two semesters Practitioners in the field who are new to this content could also find the text a valuable resource **Community Practice**

Skills Dorothy N Gamble,Marie Weil,2009-11-12 Dorothy N Gamble and Marie Weil differentiate among a range of intervention methods to provide a comprehensive and effective guide to working with communities Presenting eight distinct models grounded in current practice and targeted toward specific goals Gamble and Weil take an unusually inclusive step combining their own extensive experience with numerous case and practice examples from talented practitioners in international and domestic settings The authors open with a discussion of the theories for community work and the values of social justice and human rights concerns that have guided the work of activists from Jane Addams and Martin Luther King Jr to Cesar Chavez Wangari Maathai and Vandana Shiva They survey the concepts knowledge and perspectives influencing community practice and evaluation strategies Descriptions of eight practice models follow incorporating real life case examples from many parts of the world and demonstrating multiple applications for each model as well as the primary roles competencies and skills used by the practitioner Complexities and variations encourage readers to determine through comparative analysis which model at which time best fits the goals of a community group or organization given the context culture social economic and environmental issues and opportunities for change An accompanying workbook stressing empowerment strategies and skills development is also available from Columbia University Press **Interpersonal Social**
