*EBK: Services Marketing: Integrating Customer Service Across the Firm 4e* Alan Wilson, Valarie Zeithaml, Mary Jo Bitner, Dwayne Gremler, 2020-10-07 Successful businesses recognize that the development of strong customer relationships through quality service and services as well as implementing service strategies for competitive advantage are key to their success. In its fourth European edition, *Services Marketing: Integrating Customer Focus across the Firm* provides full coverage of the foundations of services marketing, placing the distinctive Gaps model at the center of this approach. The new edition draws on the most recent research and using up to date and topical examples, the book focuses on the development of customer relationships through service, outlining the core concepts and theories in services marketing today. New and updated material in this new edition includes New content related to human resource strategies including coverage of the role of robots and chatbots for delivering customer focused services. New coverage on listening to customers through research, big data, netnography and monitoring user generated content. Increased technology, social media and digital coverage throughout the text including the delivery of services using mobile and digital platforms as well as through the Internet of Things. Brand new examples and case studies added from global and innovative companies including Turkish Airlines, Volvo, EasyJet and McDonalds. Available with McGraw Hill's Connect, the well established online learning platform which features our award winning adaptive reading experience as well as resources to help faculty and institutions improve student outcomes and course delivery efficiency.

*The Comprehensive Guide to Careers in Sports* Glenn Wong, 2009 As more students enter the growing field of sports management, there is a greater need for information informing them about their career choices. *Careers in Sports* provides an overview of what students should consider and expect from the varied career options available to them. This book answers the questions students are most likely to have, including what courses they should take, what areas are available to them, what salary can they expect to earn after graduation and how they can get the job of their dreams. In the highly competitive field of sports management, it is important for individuals to prepare themselves well and to make the right decisions along the way. Although there are no guarantees of success, this book will increase students' likelihood of finding success in the sports industry. Encouraging research and realistic expectations, this book has been developed by an author with many years of experience as a respected practitioner, teacher and internship coordinator.
