The NHL D'Arcy Jenish, 2013-10-29 The National Hockey League born in a Montreal hotel room on November 26 1917 has much to celebrate as it approaches its centenary Millions of fans from Montreal to Miami and Edmonton to Anaheim attend NHL games each year millions more watch on TV and the league pays its best players multi million annual salaries Over the course of its first century the NHL's fortunes have ebbed and flowed It has experienced setbacks and triumphs and innumerable crises The league has awarded many franchises only to see some of them falter fail and fold The board of governors which has included rich eccentrics and at least one future convict has sometimes been fractured by men who loathed each other How on earth has the NHL survived The answer lies in the remarkable fact that it

has had only five presidents and one commissioner Two of these chiefs were stop gaps For the balance of league s ninety plus years four men have shaped and guided its fortunes and controlled the tough hard nosed sometimes unruly owners who constituted the board of governors This is the story of two perpetual struggles the one on the ice and the one going on behind the scenes to keep the whole enterprise afloat D Arcy Jenish was granted unprecedented access to previously unpublished league files including revelatory minutes of board meetings and conducted dozens of hours of interviews with league executives including commissioner Gary Bettman and former president John Ziegler as well as owners coaches general managers and player representatives He now reveals for the first time the true story behind some of the most significant events of the contemporary era This is a definitive revelatory chronicle that no serious hockey fan will want to be without

Who's who in Hockey Stan Fischler, Shirley Fischler, 2003 If there is one book that s missing from the ever growing number of hockey books available it is an A to Z guide of the sport s all time greatest stars Finally that book has arrived Veteran hockey authors Stan and Shirley Fischler s *Who s Who in Hockey* is the complete guide to the game s greatest players This indispensable hockey reference book features all of the sport s most notable players from Wayne Gretzky and Howie Morenz to Rocket Richard Marcel Pronovost and Bep Guidolin For easy reference this comprehensive 480 page volume is divided into three parts pre World War II players World War II to Expansion and From 1967 68 to the present Each player s entry includes his biography personal statistics and career highlights along with anecdotal information In addition to player listings this power packed book will include o Dozens of player photos o Capsule histories of every past and present NHL franchise o The colorful history behind the Stanley Cup o Profiles of the game s best coaches and managers o Profiles of others who ve helped make the game great such as Pete and Jerry Cusimano who pioneered the Detroit tradition of throwing octopuses onto the ice for luck Perhaps the most complete compendium of biographies on hockey s greatest players ever published *Who s Who in Hockey* will be a hot item with both die hard and newer fans of this popular professional sport

Guardians of the Goal George Grimm, 2019-10-01 A history of Rangers goalies through the ages New York Rangers fans have always loved their goaltenders and throughout their history the Blueshirts have been blessed with some of the very best in the game Through the first nine

plus decades of their existence eighty eight men from Canada the United States and Europe have toiled between the pipes at Madison Square Garden They all shared the same responsibility yet each brought their own style personality character and idiosyncrasies to the position and provided unique memories for those of us who watched them In Guardians of the Goal each one of these brave men is discussed in chronological order while providing an overview of their era and the general managers and coaches they played for Such players highlighted in this book include Mike Richter Ed Giacomin John Vanbiesbrouck Henrik Lundqvist Davey Kerr And many more Regardless of whether they were a franchise goalie a flash in the pan or an emergency fill in each of these Lone Rangers or as Steve Baker once called them The few the proud and the very busy have one thing in common they all tried their best to keep that little one inch by three inch piece of frozen vulcanized rubber out of the gaping twenty four square foot chasm behind them Some were more successful than others but as you will see although they may occasionally steal a game in most cases a goaltender is only as good as the team in front of him Guardians of the Goal is just that an ode to those Blueshirts who laid it out night in and night out leaving it all out on the ice for our Rangers

The Future Tab Bamford, 2025-02-11 A fascinating inside look at one of the most highly anticipated rookie seasons in NHL history When the Chicago Blackhawks selected Connor Bedard with the first overall pick in the 2023 NHL draft it was the culmination of months if not years of unrestrained hype For the Original Six franchise nearly a decade removed from a dynastic run of Stanley Cup successes Bedard represented nothing less than the foundation for future glory The 17 year old centre from North Vancouver had long been projected as a generational talent tearing up the junior level WHL and garnering comparisons to Connor McDavid and Sidney Crosby Now it was time to compete head to head with those superstars and step into the lofty prophecies others had written for him Through extensive reporting in Chicago and beyond Tab Bamford chronicles one of the most highly anticipated rookie seasons in modern hockey following Bedard s Calder Trophy campaign on the ice and the pressurized environment that lingered off it Encompassing exalted expectations untimely injuries countless highlight reel goals and the fevered omnipresent media landscape Bedard s inaugural season provides a thrilling and expansive portrait of today s NHL
