Shop and Maria's War two collections of short stories two books of verse Travel Diary and Beauty is the Straw and her Collected Poems When we come to write the history of Australian writing in the twentieth century the strange case of Amy Witting will be there to haunt us Here is a writer who not only has great gifts the kind of expert and mimetic gifts that would impel instant recognition from someone who admired a fine lined American naturalist like William Maxwell but a realist who has an effortless immediacy and a compelling sense of drama that should have ensured the widest kind of appeal the sort of appeal that Helen Garner could command in her fiction writing days And yet this woman who published in the New Yorker and commanded the respect of Kenneth Slessor was scarcely encouraged during the long grey sleep of Australian fiction publishing It wasn't until the publication of I for Isobel that Witting gained a national profile Peter Craven Australia's Amy Witting is comparable to Jean Rhys but she has more starch or vinegar The effect is bracing New Yorker Isobel is instinctively searching for a lost part of her substance the very memory of which has been obliterated Prompted by her inexplicable sense of loss she goes on her way deviating baffled yet rejecting substitutes To call the ending happy is to say both too much and too little Was the lost part also searching for her Amy Witting's admirers will find this novel as distinctive and compelling as her stories and her poetry Jessica Anderson Witting lays bare with surgical precision the dynamics of families sibling students in coffee shops office coterie One sometimes feels positively winded with unsettling insights There is something relentless almost unnerving in her anatomising of foibles fears obsessions private shame the nature of loneliness the nature of panic Janette Turner Hospital A beautifully but unobtrusively honed style a marvellous ear for dialogue a generous understanding of the complex waywardness of men and women Andrew Riemer Terrific incredibly wise When I finished it I went straight back to the first page Cate Kennedy

Ash Road Ivan Southall, 2013-09-25 The best selling *Ash Road* is an action packed adventure story so evocative of rural Australia you can taste the Eucalyptus. It's hot dry and sweaty on *Ash Road* where Graham Harry and Wallace are getting their first taste of independence camping just the three of them. When they accidentally light a bushfire no one would have guessed how far it would go. All along *Ash Road* fathers go off to fight the fires and mothers help in the first aid centres. The children of Prescott are left alone presumed safe until it's the fire itself that reaches them. These children are forced to face a major crisis with only each other and the two old men left in their care. Ivan Southall was the first Australian author to receive the Carnegie Medal and was awarded the Australian Children's Book Council Book of the Year on three occasions. An icon of Australian children's literature he wrote over sixty books in his lifetime and has been published in twenty three different countries. He died in 2008.

A Lifetime on Clouds Gerald Murnane, 2013-10-23 Adrian Sherd is a teenage boy in Melbourne of the 1950s the last years before television and the family car changed suburbia forever. Earnest and isolated tormented by his hormones and his religious devotion Adrian dreams of elaborate orgies with American film stars and of marrying his sweetheart and fathering eleven children by her. He even dreams a history of the world as a chronicle of sexual frustration. *A Lifetime on Clouds* is funny honest and sweetly told a less ribald Catholic Australian Portnoy's Complaint. Gerald Murnane was born in Melbourne in 1939. His first novel *Tamarisk Row* was published in 1974. It was followed by *A Lifetime on Clouds*, *The Plains* and five other works of fiction the most recent of which is *A History of Books*. In 1999 he won the Patrick White Award. Ten years later he won the Melbourne Prize for Literature. Unquestionably one of the most original writers working in Australia today Australian *A Lifetime on Clouds* delighted me. I was particularly admiring of the author's unfailing ability to say just enough and no more. Les Murray Sydney Morning Herald Murnane draws out a great deal of comedy from the distance between what his hero does and what he dreams. Guardian If you only ever read one Gerald Murnane novel in your life I urge you to make it this one. Andy Griffiths in his introduction
