Facebook will be video by the year 2020 putting them head to head with the extremely popular video orientated social media platforms. Thereby comes the New Stories feature for both Facebook and Instagram. The Story feature boosts to add on as a useful social media tool like Facebook LIVE. It allows to display a collection of images and short videos with optional overlays and effects that a user can add to as they wish. Users can view a Story in sequence either waiting out a programmed delay between images or manually advancing to the next. It kicks in a 'Can't Wait for you anymore' attitude and somehow makes the audience linger on with the social accounts staying longer. Stories are a good way to produce up to date content and help your brand stand out by capturing your target audience's attention with images and video. Instagram and Facebook Stories are based on visuals rather than written content and they have a limited time run of 24 hours. Therefore it's important that you learn as much as possible about creating and using these visual Instagram and Facebook stories to drive brand awareness, grow your list and increase sales. Knowing the advantages, disadvantages and business benefits related to Facebook can help you make the right choices for your business needs as well as your audience's needs. With that in mind let's take a look at your goals to assist you in planning your marketing strategy. Facebook is ever growing and it provides immense benefits for every marketer with all the self-justification points as follows: the ultimate platform that all marketers need to access to exploit on what it can offer. 2.25 Billion monthly active Facebook users going towards 2019. Mr. SociallyAwkward, 2022-12-02. A self-hating teen named Daniel who's conflicted about his identity. Daniel is aware that he's different from other teenage boys his age with his interest in women's clothing, nail polish and male crushes. He acknowledges that he feels like a woman inside but he is conflicted over whether these feelings are acceptable because he is the son of a pastor. On Daniel's eighteenth birthday after years of sorrow he embraces his identity and tells his family. To no surprise he receives intense backlash. From death threats, public teasing, family neglect and even a family member committing suicide. Daniel reads the suicide note and it seems to encourage Daniel to act out certain Bible scriptures. Reading the Bible passages sparks a fire in Daniel to turn his back on his identity and display ways of violence and hatred onto other LGBTQIA members as a calling from God. Unaware how this will come back to haunt him. **Subjectified** Suzannah Weiss, 2024-05-09. *Subjectified* is a book about subjects, objects and verbs. It is also a book about clothing, optional resorts, masturbation circles and sex parties. Suzannah Weiss takes the reader through her adventures as a sex and relationship writer to explore how we can create a world with less objectification and more subjectification, placing women and other marginalized groups in the subject role of sentences and actions. Offering a deeply personal critique of sexual empowerment movements, Weiss presents a way forward that focuses on what women desire, not what men desire from them. *Subjectified* calls for women everywhere.

to inhabit their bodies and hearts to look through their own eyes and speak as I The book is for everybody wanting to understand themselves as subjects Wholeheartedly the author invites you to follow her search for subjecthood and should you desire forge your own path out of objecthood Now available as an audiobook
