Andrew Carnegie David Nasaw, 2007-10-30. A New York Times bestseller. Beautifully crafted and fun to read. Louis Galambos, *The Wall Street Journal*. Nasaw's research is extraordinary. San Francisco Chronicle. Make no mistake, David Nasaw has produced the most thorough, accurate, and authoritative biography of Carnegie to date. Salon.com. The definitive account of the life of Andrew Carnegie. Celebrated historian David Nasaw, whom *The New York Times Book Review* has called a meticulous researcher and a cool analyst, brings new life to the story of one of America's most famous and successful businessmen and philanthropists in what will prove to be the biography of the season. Born of modest origins in Scotland in 1835, Andrew Carnegie is best known as the founder of Carnegie Steel. His rags-to-riches story has never been told as dramatically and vividly as in Nasaw's new biography. Carnegie, the son of an impoverished linen weaver, moved to Pittsburgh at the age of thirteen. The embodiment of the American dream, he pulled himself up from bobbin boy in a cotton factory to become the richest man in the world. He spent the rest of his life giving away the fortune he had accumulated and crusading for international peace. For all that he accomplished and came to represent to the American public, a wildly successful businessman and capitalist, a self-educated writer, peace activist, philanthropist, man of letters, lover of culture, and unabashed enthusiast for American democracy and capitalism, Carnegie has remained to this day an enigma. Nasaw explains how Carnegie made his early fortune and what prompted him to give it all away, how he was drawn into the campaign first
