Pushback Selena Rezvani,2024-09-10 Negotiation wisdom from highly successful women to help you fast track your career In Pushback How Smart Women Ask and Stand Up for What They Want top leadership consultant Selena Rezvani

reveals how women can secure promotion opportunities plum assignments and higher pay by standing their ground and pushing back for what's rightfully theirs This revised and expanded version features interviews from dozens of executive leaders including Darla Price President of Ogilvy New York Jen Fisher Chief Well being Officer at Deloitte and Jayshree Seth Chief Science Advocate and Corporate Scientist at 3M Rezvani also shares exclusive data highlights from hundreds of professional women across industries sourced from over five years of online surveys to reveal startling findings on confidence self advocacy and negotiation In this book readers will learn A reliable and methodical approach to navigating tough conversations with compelling facts and research from the worlds of psychology and leadership The effect of intersectionality bias and internalization of these experiences on workplace negotiations How professional women can activate internal and external networks to support their negotiations and proposals and instill confidence in those they mentor Pushback How Smart Women Ask and Stand Up for What They Want offers readers looking to accelerate their career paths the unedited truth about how women have advocated their way to the top and triumphed and how you can too *Automation Is a Myth* Luke Munn,2022-04-05 For some automation will usher in a labor free utopia for others it signals a disastrous age to come Yet whether seen as dream or nightmare automation argues Munn is ultimately a fable that rests on a set of triple fictions There is the myth of full autonomy claiming that machines will take over production and supplant humans But far from being self acting technical solutions are piecemeal their support and maintenance reveals the immense human labor behind autonomous processes There is the myth of universal automation with technologies framed as a desituated force sweeping the globe But this fiction ignores the social cultural and geographical forces that shape technologies at a local level And there is the myth of automating everyone the generic figure of the human at the heart of automation claims But labor is socially stratified and so automation's fallout will be highly uneven falling heavier on some immigrants people of color women than others Munn moves from machine minders in China to warehouse pickers in the United States to explore the ways that new technologies do and don't reconfigure labor Combining this rich array of human stories with insights from media and cultural studies Munn points to a more nuanced localized and racialized understanding of the future of work *Popular Science* ,1977-03 Popular Science gives our readers the information and tools to improve their technology and their world The core belief that Popular Science and our readers share The future is going to be better and science and technology are the driving forces that will help make it better *How Global Youth Values Will Change Our Future* Gayle Kimball,2019-01-15 *How Global Youth Values Will Change Our Future* reveals the values and religious beliefs of Generations Y and Z representing over 4 000 young people from 88 countries This book is based on their own voices rather than adult projections from multiple choice surveys It also includes futurists projections of significant trends to predict where society is headed As the largest best educated and most connected generation ever today's youth are creating a more democratic world **Silent Partners** Alex Souchen,Matthew S. Wiseman,2023-09-15 Canada's military industrial complex is deeply embedded in the fabric of the

country Silent Partners reveals its origins and influence During the Cold War Canada's military industrial and political partnerships developed behind the scenes and without much public scrutiny Silent Partners explores Canada's history of leveraging military and defence expenditures to fund domestic industries bolster employment and support science and technology Military and defence spending have affected Canada in myriad ways from demography and geography to political economy and international relations in uneven patterns of prosperity and decline The contributions in this volume explore the environmental impacts of military activities and munitions production the ethical issues of human experimentation and military testing and the economic and political implications of procurement and arms exports Silent Partners is an illuminating examination of Canada's military industrial complex from a historical perspective **Remote Workplace**

Culture Sean O'Meara, Cary Cooper, 2022-03-03 The way we work has changed and a strong supportive company culture is key for success When employees work remotely even occasionally HR professionals and business leaders need to think differently Practitioners now need to motivate their workforce support talent development ensure an inclusive environment and protect their employees mental health all without being in the same physical space A strong and effective company culture that is built specifically with this purpose in mind is crucial Remote Workplace Culture is a practical guide that shows how to achieve this and explains why simply replicating what used to happen in the office in a virtual environment doesn't work This book shows how a strong culture for remote hybrid and flexible working helps attract the best talent whether this is nationally or globally and explains how to prioritize inclusion There is also specific guidance on wellbeing initiatives how to replace social learning in a hybrid or remote working culture and how to avoid common pitfalls such as an overreliance on technology the blurring of work life boundaries and a misunderstanding of remote working etiquette Supported by case studies from BBC Salesforce leading financial services brands and law firms Remote Workplace Culture is essential reading for all HR professionals and business leaders needing to develop strong company culture in the new world of work **Why**

Does Love Hurt so Good? Ondray Pearson, 2019-10-30 Why Does Love Hurt So Good It's hard to explain why we stay with someone who isn't treating or loving them the way they should Staying some would say is foolish unhealthy and not normal and they're right but for you to understand the why you must experience loving someone first hand because until you do you have no idea the power that love has over many of us Within these stories you will read and experience what people will do to have someone love them Sex lies deception betrayal abuse and infidelity were just a few of the traits used to obtain what they thought would make them happy in their relationship As you read you will at some point have to rethink what you thought you knew about love because contrary to what many think and believe not all love is good love that we receive from those we love Readers are talking Avis Parter from Fayetteville North Carolina says It truly touched my soul I saw myself in it I loved it I cried because it was so my life I needed this book three years ago Deborah Antrum St Louis Missouri says I read your book and I love it I let my daughter read also I am looking forward to what you have in the making you have my FULL support

Pastor Ricardo Manuel from Savannah Georgia says The book is a great read I recommend that you get a copy and read it for yourself **Records and Briefs of the United States Supreme Court** ,1832
