Online-Musiklizenzierung in der Europäischen Union und in den USA Lorenz Haidinger, 2021-05-10 Das Werk behandelt die Lizenzierung von Musikurheberrechten im Online Bereich in den Vereinigten Staaten und der Europäischen Union am Beispiel Deutschlands Hierfür werden die Struktur von Musikurheberrechten und die Praxis der Lizenzierung miteinander verglichen

“This Is America” Katie Rios, 2021-06-10 In *This Is America Race Gender and Politics in America’s Musical Landscape* Katie Rios argues that prominent American artists and musicians build encoded gestures of resistance into their works and challenge the status quo These artists offer both an interpretation and a critique of what *This Is America* means Using Childish Gambino’s video for *This Is America* as a starting point Rios considers how elements including clothing hairstyles body movements gaze lighting effects distortion and word play symbolize American dissonance From Laurie Anderson’s presence in challenging authority and playing with traditional gender roles in her works to the Black female feminism and social activism of Beyoncé Rhiannon Giddens and Janelle Monáe to hip hop as resistance in the age of Trump to sonic and visual variety in the musical *Hamilton* the subjects are as powerful as they are topical Rios explores the ways in which artists relate to and represent underrepresented groups especially groups that are not traditionally perceived as having a majority voice The encoded resistances recur across performances and video recordings so that they begin to become recognizable as repeated acts of resistance directed at injustices based on a number of categories including race gender class religion and politics

Black and White Music Casian Anton, 2021-08-21 In *Black* more precisely I investigated the contribution and the artistic merit greater or lesser of black artists 0.03% and white artists 0.05% in the production and writing of their albums The artists investigated in this report are Taylor Swift Kanye West Beyoncé Kendrick Lamar Macklemore to achieve this aim I added contribution and artistic merit into one bubble of research and treated the two concepts with the same meaning then I divided the bubble into 8 points of research the second level is about using the findings from the eight points of research to offer a response to three conventional wisdom advanced by black artists and their supporters against the rules and awards offered by The Recording Academy *Black* in these pages there is an advanced comparative analysis of the music released by famous artists that was never done before *Black* also it is for future artists waiting to be discovered and what they need to expect once they are part of the music industry Second Edition July 2023

Pandemic Playlist Kevin Farrell, 2024-09-05 *Pandemic Playlist An Exploration of COVID inspired Popular Music* takes readers back to 2020 when the COVID 19 pandemic wreaked havoc on the music industry Focusing on those artists who responded directly to the pandemic with their music Kevin Farrell explores a selection of songs written and recorded about COVID 19 These songs range from the hilariously tongue in cheek to the painfully earnest to the self righteously angry coming from musicians obscure world famous and up and coming Farrell argues that these songs both originals and repurposed covers are best classified by rhetorical approach rather than musical style identifying four basic categories of

This encyclopedia examines the facets of youth cultures and brings them to the forefront. Although issues of youth culture are frequently cited in classrooms and public forums, most encyclopedias of childhood and youth are devoted to history, human development, and society. A limitation on the reference bookshelf is the restriction of youth to pre-adolescence, although issues of youth continue into young adulthood. This encyclopedia addresses an academic audience of professors and students in childhood studies, American studies, and culture studies. The authors span disciplines of psychology, sociology, anthropology, history, and folklore. The *Encyclopedia of Youth Cultures in America* addresses a need for historical, social, and cultural information on a wide array of youth groups. Such a reference work serves as a corrective to the narrow public view that young people are part of an amalgamated youth group or occupy malicious gangs and satanic cults. Widespread reports of bullying, school violence, dominance of athletics over academics, and changing demographics in the United States have drawn renewed attention to the changing cultural landscape of youth in and out of school to explain social and psychological problems. **USA Tourism eBook** GURMEET SINGH DANG, **Really Easy Piano: 101 Top Hits** Wise Publications, 2014-03-17.
