The Discursive-Digital Link Ehsan Dehghan, 2025-08-22 We are in a state of crisis Democracy is under threat authoritarian politics are on the rise and digital media once heralded as emancipatory technologies are increasingly implicated in democratic erosion The Discursive Digital Link offers a critical framework for understanding the entangled relationships between discourse digital media and the hidden dynamics behind antagonism and polarisation The Discursive Digital Link presents a fluid social ontology that theorises how discourses and digital communication technologies are inseparably entangled and how this entanglement contributes to the formation of complex hierarchical relations Drawing on discourse theory and new materialist perspectives Dehghan maps how the various components of the discursive digital link users collectives identities the medium s design underlying neoliberal capitalist logics and structural power dynamics together shape antagonistic frontiers in digital spaces Through detailed case studies across multiple digital media Dehghan demonstrates how these entanglements manifest through different articulatory logics that could transform societies towards either agonistic progress or disastrous polarisation By revealing the logics of discursive digital alliances and active passivity Dehghan provides critical insights for academics activists and anyone seeking to foster progressive togetherness The Discursive Digital Link offers a powerful theoretical framework and methodology for analysing digitally mediated communication It challenges monolithic understandings of polarisation technological solutionism and symptom focused approaches instead advocating for radical structural interventions across all entangled components of the discursive digital link a necessary shift in both academic research and progressive political strategy to address the democratic crises of our time **The Coming Light: An Exponential Leap in Biblical Numerology** David Harding, Biblical Numerology and the

divine intent Though many Christians do not realize it by the very nature of their faith they are deeply involved in numerology It is prescribed in the Bible The fact that there are a whole lot of 7 s in the Bible or that the numbers 12 and 40 are often repeated though acknowledged by all seems only half understood The spiritual truth of the Bible has literally changed the whole world yet for today s scientific mindset and even for most Christians Biblical numerology just doesn t make much real sense It will now This short book will examine the extraordinary phenomenon of Biblical numerology and its profound relation to modern physics relativity theory and cosmology The speed of light the fine structure constant the proton electron mass ratio and other physical constants are easily found using Biblical Numerology Finally the Wormwood Prophecy 99942 Apophis the fall of Babylon and the well known numerology of the Anti Christ will all be discussed as we examine the relevant scriptures in this most important of all books *Resurrection Biology in the Digital Age* Etienne Noumen, This podcast discuss the rapidly advancing field of de extinction highlighting the crucial role of artificial intelligence AI in making this a tangible scientific pursuit AI is presented not merely as a tool but as an architect across all stages from reconstructing degraded ancient DNA and predicting gene function to optimising gene editing and modelling ecological impacts While
