The Inequality Machine Paul Tough, 2021-03-04 Indelible and extraordinary a powerful reckoning with just how far we've allowed reality to drift from our ideals Tara Westover New York Times Book Review We're told that universities are our greatest driver of social mobility But it's a lie The Inequality Machine is a damning exposé of how the university system ingrains injustice at every level of American society Paul Tough bestselling author of How Children Succeed exposes a world where small town colleges go bust while the most prestigious raise billions every year where overstretched admissions officers are forced to pick rich candidates over smart ones where black and working class students are left to sink or swim on uncaring campuses Along the way he uncovers cutting edge research from the academics leading the way to a new kind of university one where students succeed not because of their background but because of the quality of

their minds The result is a call to arms for universities that work for everyone and a manual for how we can make it happen Humanizes the process of higher education Fascinating stories about efforts to remediate class disparities in higher education New Yorker **The Years That Matter Most** Paul Tough,2019-09-12 What has gone wrong in our universities And how do we make it right When Amy applied to university she thought she d be judged purely on her merits But she never thought that her family background would have as much impact on her future as her grades When KiKi arrived at university she knew she could be the only black woman in her class But she didn t know how out of place she would feel nor how unwelcoming her peers would be When Orry graduated from university he was told he d probably land a six figure salary But he wasn t told he d end up barely scraping a living wage struggling to feed his children Drawing on the stories of hundreds of American students *The Years That Matters Most* is a revelatory account of a university system in crisis Paul Tough bestselling author of *How Children Succeed* exposes a world where small town colleges go bust while the most prestigious raise billions every year where overstretched admissions officers are forced to pick rich candidates over smart ones where black and working class students are left to sink or swim on uncaring campuses Along the way he uncovers cutting edge research from the academics leading the way to a new kind of university one where students succeed not because of their background but because of the quality of their minds The result is a call to arms for universities that work for everyone and a manual for how we can make it happen Arms Control Robert E. Williams Jr.,Paul R. Viotti,2012-05-15 Set against a backdrop of terrorism rogue states non conventional warfare and deteriorating diplomacy this encyclopedia offers a comprehensive multidisciplinary up to date reference on the recent history and contemporary practice of arms control and nonproliferation *Arms Control History Theory and Policy* features in depth expert analysis and information on the full spectrum of issues relating to this critical topic The first major reference on arms control in over a decade the two volume set covers historical context contemporary challenges and emerging approaches to diplomacy and human rights Noted experts provide a full spectrum of perspectives on arms control offering insightful analysis of arms control agreements and the people and institutions behind them Volume 1 provides an accessible historical overview of the subject and a more detailed conceptual analysis of the foundations of arms control Volume 2 covers the contemporary and practical issues of arms control focusing on global issues that arms control advocates have been forced to address with varying degrees of success a burgeoning international trade in conventional weapons a closely related flood of small arms and light weapons used to fuel intrastate conflicts and even genocide and the spread of nuclear weapons to potentially unstable regions of the world

We Are America, We Are Americans (HB) Matt Teahan, 2022-06-08 We Are America We Are Americans HB By Matt Teahan A Journey through life at least part of it and the lessons learned and in a rare instance taught In this quasi autobiography I answer the confounding questions of our day through a riveting for some people journey of all topics relevant Is the United States of America really a Christian Nation Where has this Country s corporate leadership gone Why would anyone waste an entire adolescence refining their basketball jump shot Why has the moral compass in Professional Sports disappeared into the abyss of political wokeness Why do we need to ban plastic straws and not water bottles particularly if Climate Change is going to kill us all in 9 years anyway How do we pay reparations for people of mixed race How can chicken sandwiches galvanize and legitimize the LGBT community What did I share with the Pope at the sacred site of Fatima What s it going to take to get millennials off Twitter out of Mom s basement and into Church Why is systemic ignorance a far greater threat to this country than anything else systemic I ll introduce a toxic blend of fact fiction criticism sarcasm reality inquiry and humor into the topics of the day And I ll blend my shallow yet relevant life experiences into the mix where it s almost impossible to tell the difference You may get bored You might not You may or may not like my viewpoints You might not even like me But you won t be the first nor the last I think however everyone will find something here they can relate to Whether it s basketball friends God politics a career or the social issues of the day there s something for everybody Even for those who rarely open a book like today s College students For them I ve included pictures See Something for everybody And although some of my viewpoints you may frown upon you will appreciate the humor anecdotes multiple geography lessons ridicule sarcasm and blatant hypocrisy that I ll expose on any number of topics All shrouded in the novel concept called common sense And if you don t like to read about those types of things then don t buy the book Get it at the library I started this book on July 4th 2020 And I did it for a reason

The Girls' Guide to Love and Supper Clubs Dana Bate, 2013-02-05 Hannah Sugarman seems to have it all She works for an influential think tank in Washington D C lives in a swanky apartment with her high achieving

boyfriend and is poised for an academic career just like her parents The only problem is that Hannah doesn't want any of it What she wants is much simpler to cook When her relationship collapses Hannah seizes the chance to do what she's always loved and launches an underground supper club out of her new landlord's town house Though her delicious dishes become the talk of the town her secret venture is highly problematic given that it is not technically speaking legal She also conveniently forgets to tell her landlord she has been using his place while he is out of town On top of that Hannah faces various romantic prospects that leave her guessing and confused parents who don't support cooking as a career and her own fears of taking a risk and charting her own path A charming romantic comedy The Girls Guide to Love and Supper Clubs is a story about finding yourself fulfilling your dreams and falling in love along the way

The Secret Supper Club Dana Bate, 2012-12-06 Starter If twenty six year old Hannah Sugarman had her way she'd be whipping up carrot cakes and running her culinary empire Instead she spends her hours cooking up papers on the financial crisis It doesn't help that no one in her life takes her passion seriously not even her boyfriend Main When her relationship implodes Hannah decides to jump start her life by hosting a secret supper club out of her landlord's flat Her underground operation presents some problems Running an unlicensed restaurant out of someone's home is not technically speaking legal Dessert As the success of Hannah's supper club grows so do the number of secrets she is forced to keep Can Hannah keep her pop up restaurant underground When mysterious guests turn up for dinner can she handle the heat Or will she have to step out of the kitchen A charming romantic comedy The Secret Supper Club is a story about finding yourself fulfilling your dreams and falling in love along the way
