Official Report of the Standing Committees Great Britain. Parliament. House of Commons, 1981 College Football
John Sayle Watterson, 2020-10-13 The rules of the game have changed in the past hundred years but human nature has not In March 1892 Stanford and California had played the first college football game on the Pacific Coast in San Francisco The pregame activities included a noisy parade down streets bedecked with school colors Tickets sold so fast that the Stanford student manager future president Herbert Hoover and his California counterpart could not keep count of the gold and silver coins When they finally totaled up the proceeds they found that the revenues amounted to 30 000 a fair haul for a game that had to be temporarily postponed because no one had thought to bring a ball from College Football History Spectacle Controversy Chapter Three In this comprehensive history of America s popular pastime John Sayle Watterson shows how college football in more than one hundred years has evolved from a simple game played by college students into a lucrative semiprofessional enterprise With a historian s grasp of the context and a novelist s eye for the telling detail Watterson presents a compelling portrait rich in anecdotes colorful personalities and troubling patterns He tells how the infamous Yale Princeton fiasco of 1881 in which Yale forced a 0 0 tie in a championship game by retaining possession of the ball for the entire game eventually led to the first down rule that would begin to transform Americanized rugby into American football He describes the kicks and punches gouged eyes broken collarbones and flagrant rule violations that nearly led to the sport s demise including such excesses as a Yale player who wore a uniform soaked in blood from a slaughterhouse And he explains the reforms of 1910 which gave official approval to a radical new tactic traditionalists were sure would doom the game as they knew it the forward pass As college football grew in the booming economy of the 1920s Watterson explains the flow of cash added fuel to an already explosive mix Coaches like Knute Rockne became celebrities in their own right with highly paid speaking engagements and product endorsements At the same time the emergence of the first professional teams led to inevitable scandals involving recruitment and subsidies for student athletes Revelations of illicit aid to athletes in the 1930s led to failed attempts at reform by the fledgling NCAA in the postwar Sanity Code intended to control abuses by permitting limited subsidies to college players but which actually paved the way for the free ride many players receive today Watterson also explains how the growth of TV revenue led to college football programs unprecedented prosperity just as the rise of professional football seemed to relegate college teams to minor league status He explores issues of gender and race from the shocked reactions of spectators to the first female cheerleaders in the 1930s to their successful exploitation by Roone Arledge three decades later He describes the role of African American players from the days when Southern schools demanded all white teams and Northern schools meekly complied through the black armbands and protests of the 60s to one of the game s few successful if limited reforms as black athletes dominate the playing field while often being shortchanged in the classroom Today Watterson observes colleges insatiable hunger for revenues has led to an abuse filled game nearly

indistinguishable from the professional model of the NFL After examining the standard solutions for reform he offers proposals of his own including greater involvement by faculty trustees and college presidents Ultimately however Watterson concludes that the history of college football is one in which the rules of the game have changed but those of human nature have not Standing Ready John A. Adams,2022-08-24 Across America in the wake of World War I college football entered a time of prominence often referred to as a Golden Era This same period saw the origins of many beloved traditions of Texas A the Aggie War Hymn penned by J V Pinky Wilson 21 was officially adopted maroon and white emerged as the sanctioned college colors And in 1922 a lanky Dallas athlete named E King Gill stepped up and agreed to be the 12th Man at a football game that may have been the greatest ever played Today the 12th Man tradition is one of the most cherished parts of A M heritage The 1922 Dixie Classic precursor to today s Cotton Bowl featured a contest between two championship coaches with strong ties to Texas A M D X Bible who led the Aggies from 1916 to 1928 and Centre College s Uncle Charlie Moran who coached at A M from 1909 to 1914 Historian John A Adams Jr 73 uncovers enthralling details the pregame conversation between Bible and E King Gill that helped place Gill in uniform on the sidelines the wedding celebration involving the Centre College team at the historic Adolphus Hotel the morning before the game the diagram of the play the Aggies used to score the game winning touchdown and so much more Sports fans and historians especially those interested in the early days of American football will savor the rich previously unknown details surrounding this storied contest between two renowned coaches and their steadfast squads **The University Magazine** ,1894 Kiplinger's Personal Finance ,2007
