The Sirens' Call Chris Hayes,2025-02-11 From the NYT bestselling author and television and podcast host a powerful wide angle reckoning with how the assault from attention capitalism on our minds and our hearts has reordered our politics and the very fabric of our society We all feel it the distraction the loss of focus the addictive focus on the wrong things for too long We bump into the zombies on their phones in the street and sometimes they re us We stare in pity at the four people at the table in the restaurant all on their phones and then we feel the buzz in our pocket Something has changed utterly for most of human history the boundary between public and private has been clear at least in theory Now as Chris Hayes writes with the help of a few tech firms we basically tore it down in about a decade Hayes argues that we are in the midst of an epoch defining transition whose only parallel is what happened to labor in the 19th century attention has become a commodified resource extracted from us and from which we are increasingly alienated The Sirens Call is the big picture vision we urgently need to offer clarity and guidance Because there is a breaking point Sirens are designed to compel us and now they are going off in our bedrooms and kitchens at all hours of the day and night doing the bidding of vast empires the most valuable companies in history built on harvesting human attention As Hayes writes now our deepest neurological structures human evolutionary inheritances and social impulses are in a habitat designed to prey upon to cultivate distort or destroy that which most fundamentally makes us human The Sirens Call is the big book we all need to snap everything into a single holistic framework so that we can wrest back control of our lives our politics and our future

Count Santa Claus Michael A. Adashefski,2014-10-03 We ve often heard the saying opposites attract and sometimes their meeting turns out very well But what would happen if two extreme opposites met What would the outcome be This story is about the meeting of two extreme opposites meeting for the first time Santa Claus meets Count Dracula What would happen if these famous people met on a freezing Christmas Eve What if Count Dracula had a plan to take over Christmas and turn it into something more to his liking Would Santa beat his darkest foe or would Dracula win and turn the world into a planet full of vampires And what role does the famous drummer Johnny Vatos play in all this The answers lie in this wonderful tale about the meeting of these two opposites Who do you think will win this battle to save Christmas
