Take Control of Your Apple Account, 2nd Edition Glenn Fleishman, 2025-09-10 Prevent or solve problems with your Apple Account Version 2.0 updated September 10, 2025 The center of the Apple world is your Apple Account. This identifier ties up your access to iCloud, to purchased and streaming music, TV, and movies, and to all your devices. While an Apple Account is essential, Apple has made it difficult to navigate the many features associated with it, and particularly to troubleshoot and resolve problems that crop up. This book answers dozens of questions and guides you through solutions. It also explains how to use security recovery and other features tied to your Apple Account. Everything Apple relies on your Apple Account. It's a key that unlocks a long list of Apple products and services on any of numerous devices. iCloud uses an Apple Account, as does Apple Music, the App Store, the Music, TV, and Books apps, and more. An Apple Account protects your personal information, including email, and iPhone, iPad, Mac, or Apple Watch backups help you find a lost iPhone, iPad, Mac, or Apple Watch, and can even unlock your Mac. So it goes without saying that if something goes wrong with your Apple Account, you could be in for a world of hurt. Unfortunately, things go wrong with Apple Accounts all the time. Fortunately, Glenn Fleishman, a veteran technology journalist and the author of Macworld's Mac 911 column, is ready to help with expert advice on how to manage your Apple Account, including how to prevent, solve, or work around most common problems. This book is fully up to date with iOS 16, iPadOS 16, macOS 12, Tahoe, watchOS 8, tvOS 16, and other Apple products and services. In this book, Glenn answers questions like: What is my Apple Account used for? How does my iCloud account relate to my Apple Account? What's two-factor authentication, and how do I manage it and not get locked out of my account? Should I invest in hardware security keys to up the protection of my Apple Account? Are there other mechanisms I can use to ensure that I can recover an Apple Account in the event of a problem? Spoiler: yes! What should I do if I have two or more Apple Accounts or iCloud accounts? Will I lose access to all my Apple media purchases if I move to another country? Can I share an Apple Account with someone else? What does an Apple One subscription offer, and how does it interact with Family Sharing and iCloud storage tiers? Is there an explanation for how code-based and hardware-based second factors protect my account, and how they differ from passkeys? Yes! What exactly should I do if I think someone is hacking my Apple Account? How can I recover a forgotten Apple Account password? What happens if I'm assaulted or drugged, and someone gains access to my iPhone passcode and resets my Apple Account? Sadly, a too-real, if uncommon, problem. What steps should I take if Apple locks me out of my account? If I lose access to an email address associated with my Apple Account, what can I do? What Apple Account changes in recent versions of iOS, iPadOS, and macOS do I need to know about? How can I use Family Sharing to share data and purchases within my family? What types of subscriptions can I manage with my Apple Account, and how? Which payment methods can I associate with my Apple Account, and how do I manage them? And that's just the beginning. Glenn has packed a remarkable amount of concise problem-solving information into this comprehensive book. Read it before you encounter Apple Account problems to minimize

your risk and if you've already encountered a problem read it to find the best path to a rapid solution Microsoft Office for iPad Tom Negrino, 2014-08-20 The long awaited version of Microsoft Office for the iPad gives Office users the opportunity to use Excel PowerPoint and Word on their Apple tablet In this practical no fluff guide author Tom Negrino gets straight to point showing users how to get the most out of the Office apps on an iPad Assuming you have some existing knowledge of the desktop Office apps this book focuses on maximizing your productivity on the new iPad version After showing how to install the Office apps on your iOS and desktop devices Tom covers how to set up OneDrive Microsoft's cloud services for uploading and syncing files across devices Tom then moves on to showing you how to accomplish the most common Office tasks on the iPad including how to create and edit documents with the touch interface Tom also covers how to use the popular OneNote on the iPad **iPhone UK: The Missing Manual** David Pogue, 2010-10-27 With multitasking and more than a 100 other new features iPhone 4 0 is a real treat cooked up with Apple's traditional secret sauce of simplicity intelligence and whimsy iPhone UK The Missing Manual gives you a guided tour of everything the new iPhone has to offer with lots of tips tricks and surprises Learn how to make calls and play songs by voice control take great photos keep track of your schedule and much more with complete step by step instructions and crystal clear explanations by iPhone master David Pogue Whether you have a brand new iPhone or want to update an earlier model with the iPhone 4 0 software this beautiful full colour book is the best most objective resource available Use it as a phone learn the basics as well as time saving tricks and tips for contact searching texting and more Treat it as an iPod master the ins and outs of iTunes and listen to music upload and view photos and fill the iPhone with TV shows and films Take the iPhone online make the most of your online experience to browse the Web read and compose email use social networks or send photos and audio files Go beyond the iPhone learn how to use the App Store and how to multitask between your apps organize them in folders and read ebooks in iBooks Unlock the full potential of your iPhone with the book that should have been in the box **The iOS Game Programming Collection (Collection)** Michael Daley, Rod Strougo, Ray Wenderlich, 2011-12-30 The iOS Game Programming Collection consists of two bestselling eBooks Learning iOS Game Programming A Hands On Guide to Building Your First iPhone Game Learning Cocos2D A Hands on Guide to Building iOS Games with Cocos2D Box2D and Chipmunk Since the launch of the App Store games have been the hottest category of apps for the iPhone iPod touch and iPad That means your best chance of tapping into the iPhone iPad Gold Rush is to put out a killer game that everyone wants to play and talk about While many people think games are hard to build they actually can be quite easy and this collection is your perfect beginner's guide Learning iOS Game Programming walks you through every step as you build a 2D tile map game Sir Lamorak's Quest The Spell of Release which is free in the App Store You can download and play the game you're going to build while you learn about the code You learn the key characteristics of a successful iPhone game and important terminology and tools you will use Learning Cocos2D walks you through the process of building Space Viking which is free on the App Store a 2D scrolling
