Bessie Smith and the blues queens of the 1920s who brought wildly transgressive sexuality to American audience decades before rock and roll And there is Jimmie Rodgers a former blackface minstrel performer who created country music from the songs of rural whites and blacks entwined with the sound of the Swiss yodel And then there are today's practitioners of Electronic Dance Music who Hajdu celebrates for carrying the pop revolution to heretofore unimaginable frontiers At every turn Hajdu surprises and challenges readers to think about our most familiar art in unexpected ways Masterly and impassioned authoritative and at times deeply personal Love for Sale is a book of critical history informed by its writer's own unique history as a besotted fan and lifelong student of pop
