Morning Routine Concert Tickets Near Me

Erica Siegel

Morning Routine Concert Tickets Near Me:

The Boston Medical and Surgical Journal ,1898 **Protest Music in France** Barbara Lebrun,2016-04-08 Barbara Lebrun traces the evolution of protest music in France since 1981 exploring the contradictions that emerge when artists who take their musical production and political commitment seriously cross over to the mainstream becoming profitable and consensual Contestation is understood as a discourse shaped by the assumptions and practices of artists producers the media and audiences for whom it makes sense to reject politically reactionary ideas and the dominant taste for commercial pop Placing music in its economic historical and ideological context however reveals the fragility and instability of these oppositions The book firstly concentrates on music production in France the relationships between independent labels major companies and the state s cultural policies This section provides the material background for understanding the development of rock alternatif France s self styled subversive genre of the 1980s and explains the specificity of a protest music culture in late twentieth century France in relation to the genre s tradition in the West The second part looks at representations of a protest identity in relation to discourses of national identity focusing on two 1990s sub genres The first chanson n o r aliste contests modernity through the use of acoustic instruments but its nostalgic protest raises questions about the artists real engagement with the present The second rock m tis borrows from North African and Latino rhythms and challenges the neutral Frenchness of the Republic while advocating multiculturalism in problematic ways A discussion of Manu Chao s career a French artist who has achieved success abroad also allows an exploration of the relationship between transnationalism and anti globalization politics Finally the book examines the audiences of French protest music and considers festivals as places of non mainstream identity negotiation Based on first hand interviews this section highlights the vocabulary of emotions that audiences use to make sense of an alternative performance unveiling the contradictions that underpin their self definition as participants in a protest culture The book contributes to debates on the cultural production of resistance and the representation of post colonial identities uncovering the social constructedness of the discourse of protest in France It pays attention to its nation specific character while offering a wider reflection on the fluidity of subversive identities with potential applications across a range of Western music practices **Social Convergence in Times of Spatial Distancing: The Role of Music During the COVID-19 Pandemic** Niels Chr. Hansen,Melanie Wald-Fuhrmann,Jane Whitfield Davidson,2022-07-19 **Boston Medical and Surgical Journal** ,1898 *Music in Medicine* Sidney Licht,2022-08-21 *Music in Medicine* by Sidney Licht Published by Good Press Good Press publishes a wide range of titles that encompasses every genre From well known classics literary fiction and non fiction to forgotten or yet undiscovered gems of world literature we issue the books that need to be read Each Good Press edition has been meticulously edited and formatted to boost readability for all e readers and devices Our goal is to produce eBooks that are user friendly and accessible to everyone in a high quality digital format *Army GI, Pacifist CO* Frank Dietrich,Albert

Dietrich,2005 This absorbing selection of letters the first published correspondence between GI and CO brothers offers fresh perspectives on the American experience during World War II These letters enrich our understanding of the war by documenting the different ways that Americans honored their conscience and served their country during an era of global conflict

Understanding Popular Music Culture Roy Shuker,2012-12-07 This extensively revised new edition of Understanding Popular Music Culture provides an accessible and comprehensive introduction to the production distribution consumption and meaning of popular music and the difficulties and debates that surround the analysis of popular culture and popular music Reflecting the continued expansion of popular music studies the changing music industry and the impact of new technologies Roy Shuker explores key subjects that shape our experience of music including music production musicians and stars musical texts music video and MTV audiences and fans scenes and subcultures and music as political activism and ideology This heavily revised and updated fourth edition includes the role of social network sites marketing and music retail the decline of the traditional model of the sound recording companies music genres cover songs and the album canon case studies of artists such as Robert Johnson the Sex Pistols Shania Twain and Lady Gaga a comprehensive discography based around musical metagenres along with suggestions for further reading listening and viewing The book now has an accompanying website with focus questions and further study activities for each chapter additional case studies and links to relevant websites

A Single Life to Live Hannah Schermerhorn,2023-02-14 A single life is a life worth living and it s worth living well God has a great life all planned out for you What you may not realize if you re single is that you re already living it Right now Today Your God designed life doesn t start when you say I do or when you get engaged or even when you meet the one It s been happening as long as you ve been alive even if you re still single and wish you weren t Hannah Schermerhorn knows exactly what it s like She was months away from getting married when her wedding was called off She absolutely loathed being single again but in the following years God taught her many hard lessons that transformed her bitterness to authentic joy Drawing from the diverse experiences of single people in the Bible Hannah debunks common myths and misunderstandings about singleness including the pervasive feeling that a person can t really begin their life until they re married If you are lonely hopeless or impatient let Hannah be your guide through the internal battles and external pressures you re facing God has a special purpose for singleness whether it lasts for only a season or your whole life Let Hannah help you discover God s best for you in your single life

The Life and Music of Elizabeth Maconchy Erica Siegel, 2023 The British born Irish composer Dame Elizabeth Maconchy 1907 1994 is best known today for her cycle of 13 string quartets composed over five decades And yet her oeuvre ranges from large scale choral works to ballets operas and symphonic scores Having studied with Charles Wood and Ralph Vaughan Williams at the Royal College of Music many of her compositions also garnered accolades from peers and established musical figures such as Gustav Holst Donald Francis Tovey and Henry Wood among others With access to a wealth of documentation previously unavailable this book explores Maconchy s life and music within a greater consideration of the social and political context of the world in which she lived

Mobility in the Face of Extreme Hydrometeorological Events 1 Celine Lutoff, Severine Durand, 2018-07-25 Mobilities Facing Hydrometeorological Extreme Events 1 Defining the Relevant Scales of Analysis provides a summary of the interdisciplinary work done over the past ten years on the exposure of daily mobility Residential mobility the way in which the occupation of the flood zones evolves with time and the resulting immobile exposure are also at the heart of this work In the face of recrudescence and the intensification of fast floods the book seeks to understand how the interaction of hydro meteorological social and development dynamics combine to bring about an improvement or on the contrary a worsening of both mobile and immobile exposure The book relies on different fields and studies conducted in the South East of France and more broadly on the Mediterranean basin to answer these questions and verify these hypotheses with a forward challenge to better understand how population movements are exposed to these phenomena Provides a synthesis of interdisciplinary work on the exposure of daily mobilities Establishes a diagram of the evolution of the flood zones and the immobile exposure Finds the cause and effect of these phenomena Conducts studies to answer these questions and verify these hypotheses

Schoolwide Physical Activity Judith Rink, 2010 Audience Reference for K 12 PE and classroom teachers directors principals and administrators overseeing physical activity programs and wellness policy compliance Text for college PE majors and elementary classroom education majors Also a reference for community youth program leaders Physical activity doesn t have to be confined to physical education class Many schools are discovering the benefits of incorporating physical activity throughout the day In fact schools increasingly need to do so as requirements for weekly minutes of physical activity expand beyond the time available for physical education class With Schoolwide Physical Activity A Comprehensive Guide to Designing and Conducting Programs K 12 classroom teachers and administrators will learn how to design and conduct activity programs that not only meet wellness policy requirements and goals but also motivate and encourage all students to be physically active The premise of this innovative guide is that physical activity in schools is not the sole responsibility of the PE teacher It is the responsibility of all administrators and teachers and is most successful when it is integrated throughout the curriculum To that end Schoolwide Physical Activity highlights the role of elementary classroom teachers in providing opportunities for physical activity and it offers an array of tools and programs for teachers to incorporate in their classrooms At the secondary level the book creates a vision of a good

physical activity program and then shows secondary teachers and administrators how to achieve that vision Through this text teachers and administrators receive a blueprint for building a comprehensive and coordinated K 12 physical activity program ready to use activities and forms and program ideas that address both the needs and desires of all children not just the small percentage who gravitate toward physical activity Schoolwide Physical Activity comes with a CD ROM that contains all the printable activities forms and tools from the book and over 200 activities for classroom teachers inclusive transitional activities integrated lessons and simple games and dances The comprehensive guide includes a Web site with an instructor guide presentation package and test package This resource will help teachers and administrators see their roles and responsibilities in a new light and gain stakeholder support for wellness and activity programs and it will assist in coordinating efforts among all involved in providing students with safe and appropriate programs that will transform their schools into more active places for learning

Streaming Music, Streaming Capital Eric Drott,2023-12-29 Eric Drott undertakes a wide ranging study of the political economy of music streaming to engage in a broader reconsideration of music s complex relation to capitalism

Music and Meaning Mary Butters,2004 This fascinating and illuminating study brings together a wealth of information gained from individuals who reveal how music has had an effect on their lives It unveils how music plays an important part in counselling and therapy and links the disciplines of the philosophy of music to neuroscience developmental psychology and psychoanalysis Psychotherapists counsellors and therapists will find this book thought provoking and invaluable reading as well as doctors nurses and those working with the elderly and people with developmental difficulties All those with an interest in music and how it can affect their lives will also find this book interesting reading

Music Is in Our Blood Jim Neglia,2023-01-18 After spending years researching his ancestry and finally gaining the knowledge of past generations Jim Neglia can now begin to understand his connection to the past Neglia learned about his relatives and their dedication to music their passion in life and in this book highlights two of his ancestors and their illustrious careers Are our abilities passed down from generation to generation or are a family s talents developed during their formative years The author takes the reader on a journey through eight generations of musicians to help answer that question Among other things Neglia explains how strong family genes are coupled with the nurturing of our talents by our elders Along with discussions on his ancestry and beliefs are journal entries and recountings of current events including the crippling COVID 19 pandemic and its impact on the music industry In the process Neglia relays an amazing tale weaving the past and the present to tell a story 200 years in the making sharing his views on the complexities of his family s personalities by sharing intimate stories of life as a Neglia

How To Write a Great Story Caroline Lawrence,2019-08-22 Stories are incredibly powerful so if you become a writer be careful Your book could change the world Caroline Lawrence shares her best tips in this illustrated guide to creative writing and storytelling for readers and writers aged 9 Featuring examples from all kinds of stories including Black Panther Alice in Wonderland Harry Potter The Incredibles and Star Wars

Inspired by Caroline's school events and workshops and illustrated with Linzie Hunter's lively black and white artwork on every page, this is the perfect addition to the bookshelves of young writers everywhere.

Managing Your Band - Sixth Edition Stephen Marcone, David Philp, 2017-06-01 Book Making it in music has never been easy but today it's harder than ever before. The digital age has dawned and with it the music biz has wholly merged with the entertainment industry. Up and comers are immediately faced with a dire choice: alter your art to appease the powers that be or learn to navigate the notoriously grimy underside of the most glamorous profession in the world. Whether you're a self-reliant DIY musician or an aspiring personal manager, Stephen Marcone and David Philp's *Managing Your Band: Artist Management The Ultimate Responsibility* can help you keep your shirt and maybe just maybe make a buck all for less than the price of a decent dinner. Now in its sixth edition, *Managing Your Band* has long since been the standard bearer for aspirants and hardened vets alike. From dive bars to festivals, from branding and merchandising to marketing and publicity, from publishing and licensing to rights and contracts, Marcone and Philp leave no stone unturned in this comprehensive guide to artist management. A lofty claim, eh? No need to take our word for it: luminaries in every corner of the industry are willing to testify. To put it mildly, the book has a reputation with record labels. John Butler, Vice President of Promotion at Curb, believes that Marcone and Philp take on our ever-changing business with a fresh and complete approach. The breadth of information here is as important to veterans as it is to the new entrepreneurs that will power the current and next versions of the music industry. Paul Sinclair, the EVP of Digital Strategy Innovation at Atlantic, attests that the 6th edition of *Managing Your Band* provides an excellent blueprint to follow paths of flexibility and specificity toward a successful career in music. In this book, you find the framework. Implement it well, and you have a better shot of finding success with your musical art. Joe Riccitelli, the EVP/GM of RCA, considers the book a must for new and established managers who may need a brush-up on topics they have forgotten as Stephen's David's vast experience pays off in the 6th edition. Hell, this is the only book music mogul Harvey Leeds took to Israel to teach the Israelis about the international music and entertainment business. In the end, we think Doc McGhee, the man who whisked Bon Jovi and Motley Crue to superstardom, says it best: I wish I had something like this when I was starting out. What more can we say? Pick up the latest edition of *Managing Your Band* and chase that wild dream.

The Routledge Handbook to Sociology of Music Education Ruth Wright, Geir Johansen, Panagiotis A. Kanellopoulos, Patrick Schmidt, 2021-03-29 The *Routledge Handbook to Sociology of Music Education* is a comprehensive authoritative and state-of-the-art review of current research in the field. The opening introduction orients the reader to the field, highlights recent developments, and draws together concepts and research methods to be covered. The chapters that follow are written by respected experienced experts on key issues in their area of specialisation. From separate beginnings in the United States, Europe, and the United Kingdom in the mid-twentieth century, the field of the sociology of music education has and continues

to experience rapid and global development It could be argued that this Handbook marks its coming of age The Handbook is dedicated to the exclusive and explicit application of sociological constructs and theories to issues such as globalisation immigration post colonialism inter generational musicking socialisation inclusion exclusion hegemony symbolic violence and popular culture Contexts range from formal compulsory schooling to non formal communal environments to informal music making and listening The Handbook is aimed at graduate students researchers and professionals but will also be a useful text for undergraduate students in music education and cultural studies

Harriet Tubman: Live in Concert Bob the Drag Queen, 2025-03-25 THE NEW YORK TIMES BESTSELLER Most Anticipated LGBTQ Books of 2025 by Pride Best New Books of Spring 2025 by Bustle Most Anticipated Books of 2025 by LitHub Biggest Books of March by Book Riot Most Anticipated Books of March by Goodreads Featuring two new songs written for the audiobook and performed by Bob the Drag Queen Harriet Tubman Live in Concert is magnificent I want to send to the folks who do the Nobel Prize for Literature I don't know them but I want them to read this Whoopi Goldberg It's a knockout Publishers Weekly starred review An emotional exploration of religion external and internalized homophobia the pressure of progressing Black liberation and the importance of revisiting the past New York magazine From RuPaul's Drag Race winner Traitors contestant and host of HBO's We're Here comes an inventive wondrous novel about American hero Harriet Tubman that remixes history into a fresh dynamic novel about love freedom salvation and hip hop In an age of miracles where our greatest heroes from history have magically unexplainably returned to shake us out of our confusion and hate Harriet Tubman is back and she has a lot to say Harriet Tubman and four of the enslaved persons she led to freedom want to tell their story in a unique way Harriet wants to create a hip hop album and live show about her life and she needs a songwriter to help her She calls upon Darnell a once successful hip hop producer who was topping the charts before being outed on a BET talk show Darnell has no idea what to expect when he steps into the studio with Harriet only that they have a short period of time to write a legendary album she can take on the road Over the course of their time together they not only create music that will take the country by storm but confront the horrors of both their pasts and learn to find a way to a better future Original evocative and historic Harriet Tubman Live in Concert is a landmark achievement that will burrow deep into our hearts and ears

Naval Training Bulletin ,1953
