The text concludes with part V which explores emerging trends in sports media and society. Through social media, virtually anyone can become a thought leader, wresting control from traditional outlets and teams, and athletes can dialogue directly with fans, effectively sidelining sports journalists. Chapters on the formerly taboo subjects of athlete mental health and sports wagering, as well as the exploding popularity of esports, round out the text. Sports shape our culture in numerous ways and the sports media plays a transformative role in how it occurs.
