[month, day, year]

Dear Mr. Johnson,

I'm reaching out regarding the senior software developer position at Arc Tech. With over seven years of experience within the technology industry, I have a proven track record of developing innovative technical solutions from conception to launch. I am confident my expertise in project management would be an asset to your organization in this position.

Arc Tech's reputation for creativity and innovation is what draws me to apply for this opportunity. As a software developer, I have a passion for identifying creative solutions to complex technical challenges. I believe I can create value for your clients and team based on previous successes:

- Developed and launched a major upgrade to the web-based employee interface, with uninterrupted flow of business-critical operations, leading to a 15% increase in efficiency
- Coordinated with a team of 15 developers to write proprietary software and maintain systems for 60 enterprise clients using C++ and Linux platforms
- Collaborated with project managers and IT teams to identify critical components, define new product features, and improve functionality to ensure user satisfaction

I hope to speak with you further regarding how my software development expertise could benefit your organization. You may contact me via phone or email at your convenience. I appreciate your time and consideration.

Sincerely,

Amar Singh

The New Normal Amitai Etzioni,2014-11-05 Amitai Etzioni argues that societies must find a way to balance individual rights and the common good This point of balance may change as new technologies develop the natural and international environments change and new social forces arise Some believe the United States may be unduly shortchanging individual rights that need to be better protected Specifically should the press be granted more protection Or should its ability to publish state secrets be limited Should surveillance of Americans and others be curtailed Should American terrorists be treated differently from others How one answers these questions Etzioni shows invites a larger fundamental question Where is the proper point of balance between rights and security Etzioni implements the social philosophy liberal communitarianism Its key assumptions are that neither individual rights nor the common good should be privileged that both are core values and that a balance is necessary between them Etzioni argues that we need to find a new balance between our desire for more goods services and affluence particularly because economic growth may continue to be slow and jobs anemic The key question is what makes a good life especially for those whose basic needs are sated
