The Door Lizzy Ford,2016-02 There s only one rule Never lock the door Gianna believes manual labor to be penance for the mistake that changed her life Nothing can be worse than serving probation under the supervision of a bitter elderly woman known as the Caretaker running a bed and breakfast in the middle of the Arizona desert Then the strangers begin arriving They appear every night at sundown at the end of the driveway and vanish early in the morning armed men and women who don t quite look or act normal and never travel in vehicles despite the property being twenty miles from town Where they come from baffles Gianna as does the single rule the Caretaker gives her The front door must remain unlocked and the house accessible to the dangerous visitors no matter how unusual or frightening they are When one of them arrives wounded Gianna helps save him and unknowingly makes a powerful friend one from a very faraway place In fact from

another world entirely the world that starts at the end of the driveway Before she can learn more Gianna is left alone with the strangers and must choose whether she ll take over the Caretaker s role as hostess or return to New York and risk jail time for violating her probation Gianna defies the Caretaker and locks the front door instead Her world will never be the same Includes both novellas [RECLAIMING FOCUS IN THE AGE OF AI](#) Vivian Atud,2023-04-06 The Impact of Artificial Intelligence on Our Ability to Focus and Think Deeply In today s digital age our attention is constantly being pulled in multiple directions by an endless stream of notifications emails and social media alerts The rise of artificial intelligence AI has further complicated our ability to focus and think deeply making it harder to concentrate on the tasks at hand Research has shown that AI can both enhance and hinder our ability to focus and think deeply For example AI powered brain training programs have been shown to improve attention and memory in older adults Wolinsky et al 2013 Additionally AI can be used to reduce distractions in the workplace by automatically filtering out irrelevant emails or messages Baumeister et al 2018 On the other hand AI can also be a source of distraction and information overload Social media platforms for example are designed to capture our attention and keep us engaged for as long as possible Fletcher 2018 This can lead to a constant state of hyperstimulation that can interfere with our ability to think deeply and creatively Furthermore cultural factors play a significant role in our ability to focus and think deeply In a culture that values speed productivity and multitasking there is often a pressure to prioritize quantity over quality Rosen 2008 Additionally social norms and peer pressure can make it difficult to disconnect from technology and create a more focused environment Kushlev et al 2016 In this book I explore the intersection of AI and attention and provide practical strategies for reclaiming our ability to focus and think deeply in the age of distraction I delve into the myths and realities of multitasking navigate the attention economy and digital distractions and explore the synergy of mindfulness and AI To optimize our brains for deep thinking I discuss the importance of sleep and exercise in enhancing cognitive function Hillman et al 2014 I also explore how to embrace the mindset of a deep thinker in the age of AI and technological change The future of attention and deep thinking in the context of AI is an important topic that I examine As AI continues to evolve and impact our lives in ways we cannot yet imagine it is crucial that we develop the skills necessary to stay focused and think deeply in the face of constant distraction Join me on a journey to reclaim our ability to focus and think deeply in the age of AI Let s explore the challenges and opportunities of attention in the digital age and learn how to cultivate a more mindful creative and productive life Together we can reclaim our attention and achieve our full potential in a distracted world **DK France** DK Travel,2025-09-04 Make your trip to France extraordinary A hike along Brittany s Emerald Coast Wine tasting in Bordeaux Museum hopping in Paris France offers enough bucket list experiences to fill a lifetime Whatever your dream trip involves this DK travel guide is the perfect companion Our updated guide brings France to life transporting you there like no other travel guide does with expert led insights trusted travel advice detailed breakdowns of all the must see sights photographs on practically every page and our hand drawn illustrations which take you
