Media Libraries in an Age of Unending Consumption Mike Van Esler, 2023-10-24 As the home video market upended traditional film industry models media libraries emerged as important sources of ancillary revenue The inflection point for media library exploitation came in 2007 when Netflix launched its streaming service relying on extensive licensing of film and television libraries to grow its subscriber base In this book Mike Van Esler examines how media libraries and business models have evolved since the home video era with particular emphasis placed on the streaming age of the past fifteen years Van Esler argues that media libraries have grown beyond their usages from the pre home video era to become central to today's corporate media strategy By studying the ways in which media library exploitation has scaled up since the turn of the new millennium the author identifies insights into larger media industry trends Ultimately this book explores the intersection of corporate media independent distributors private equity tech companies and audiences Scholars of media studies business and sociology will find this book of particular interest

Time's Up! Paul Dunn, Ronald J. Baker, 2022-11-14 Put values and value over volume with a professional services subscription model Professional firms are built on relationships But you wouldn't know it by observing their predominant business model a model centered on selling transactions and inputs not outcomes that deepen and strengthen relationships *Time's Up* offers you a guide to building a more valuable firm one where relationships and lifetime customer value are at the center of how you create and capture value You'll learn how to Create customer lifetime values that far exceed acquisition and retention costs Move customer relationships to the center of your firm Leverage the collective knowledge of your customers Elevate customers from where they are to their desired future by providing transformations where the customer is the product Only uncommon offerings command uncommon prices *Time's Up* introduces you to a revolutionary new business model that transforms your firm your teams and your results with the customer right at the center of the process

Deep Purpose Ranjay Gulati, 2022-02-10 If you want to be inspired to build more sustainable organizations *Deep Purpose* should be your next read Arianna Huffington Founder CEO Thrive Global Insightful practical and timely Adam Grant 1 New York Times bestselling author of *Think Again* and host of the TED podcast *WorkLife* *Deep Purpose* points to the conversations we must have right now about how to redefine the role of business in society restore trust and enhance our license to operate Highly recommended Paul Polman former CEO Unilever Included in the Thinkers50 Best New Management Books for 2022 Distinguished Harvard Business School professor Ranjay Gulati takes readers inside some of the world's most purposeful companies to understand the secrets to their success Few business topics have aroused more skepticism in recent years than the notion of corporate purpose and for good reason Too many companies deploy purpose as a promotional vehicle to make themselves feel virtuous and to look good to the outside world Some have only foggy ideas about what purpose is and conflate it with strategy and other concepts like mission vision and values Even well intentioned leaders don't understand purpose's full potential and engage with it half heartedly and superficially Having

conducted extensive field research and interviewed leadership at purpose oriented companies including Etsy Lego and Microsoft Ranjay Gulati reveals the fatal mistakes leaders unwittingly make when attempting to implement a reason for being Moreover he shows how companies can embed purpose much more deeply delivering impressive performance benefits that reward customers suppliers employees shareholders and communities alike To get this right leaders must fundamentally change not only how they execute purpose but also how they conceive of and relate to it They must practice what Gulati calls deep purpose furthering each organisation s reason for being more intensely thoughtfully and comprehensively than ever before As he argues a deeper engagement with purpose can serve as a radically new operating system enhancing performance while also delivering meaningful benefits to society It s the kind of inspired thinking that businesses and the rest of us urgently need Purpose isn t a nice to have in the business world anymore It s a must have This comprehensive guide breaks down why cultivating purpose isn t just the right thing for businesses to do it s the smart thing too Carmine Di Sibio Global Chairman and CEO EY Many leaders today strive to align purpose with financial success but only a few succeed Gulati analyzes the tough challenges that leaders everywhere must address if they are to save the planet while also delivering strong profits Toshiaki Higashihara Executive Chairman CEO Hitachi Ltd
