Social Media Marketing Algorithms Jordan Connery,2021-02-21 Social media is a rapidly growing arena for everything from the

posting of videos to car sales so it should come as no surprise that big business is growing on there too However what can it actually do to help grow your business Before selling any product you have to get your name out there and spread the word of your new social media presence By adding links to your social media accounts on your company website you are encouraging people to follow you online in order to get the most up to date information as soon as you release it When you put your company website on your social media profile it gives your clients a way to go directly to your website This will allow your customers to contact your company for more information and it is more likely to create online buyers Social media is the main way that companies are beginning to show involvement with their customers and community by promoting events they are sponsoring or releasing news to their clients Real time communication has become extremely important for customer satisfaction in today s businesses People don t want to wait for answers to their questions or for help resolving any issue they might have With social media people have direct access to comments and post feedback for companies making any kind of wait time for results obsolete Press releases are a thing of the past and take more time to be processed out to customers By using social media your company is able to deliver news and updates to clients in real time while also allowing them to share the news with others and encouraging a faster spread of communication By letting customers share your company s posts and information it also allows new people to follow your company page and learn more about your business Businesses are turning to Instagram and Facebook among other social media platforms to better communicate with their customers and spread the word about their business and future plans To go about doing this companies first have to understand the best ways to create brand awareness online and how to draw in new followers Building a successful online following will take time However there are techniques and skills that will help you build an online following and create a popular social media site while still promoting your business and keeping in contact with your customers
