American Government Scott F. Abernathy, 2018-11-14 In the Second Edition of American Government author Scott F Abernathy tunes in to the voices of all Americans showing how our diverse ideas shape the way we participate and behave the laws we live by and the challenges we face From the Constitutional Convention to Ferguson Missouri each chapter features rich personal narratives that illustrate how the American political system is the product of strategies calculations and miscalculations of countless individuals It focuses on real people the actions they take the struggles they face and how their choices influence outcomes The key concepts are memorable because they are tied to real politics where students see political action and political choices shaping how institutions advance or impede the fulfillment of fundamental ideas Participation is at the heart of this groundbreaking new text with ample background on how and why to participate Not only will all students see themselves reflected in the pages

but they will come to understand that they too are strategic players in American politics with voices that matter Also available as a digital option courseware Contact your rep to learn more about American Government Second Edition Vantage Digital Option
