Mediale Darstellung von Jugendlichen in Spanien Anna Waldorf, 2021-06-14 Bachelorarbeit aus dem Jahr 2020 im Fachbereich Medien Kommunikation Film und Fernsehen Note 1 3 Technische Hochschule K In ehem Fachhochschule K In Fakult t f r Informations und Kommunikationswissenschaften Sprache Deutsch Abstract Die Arbeit untersucht wie die soziale Lebenswirklichkeit von Jugendlichen in TV Serien dargestellt wird Dazu geht sie zun chst auf die serielle Erz hlweise ein und erkl rt welche Auswirkungen diese auf die dargestellten Inhalte hat Danach liefert die Arbeit einen berblick ber die soziale Lebenswirklichkeit von Jugendlichen in Spanien Beide Kapitel dienen als Grundlage f r die Analyse der Serie lite **The Sleep Revolution** Arianna Huffington, 2016-04-07 JP Morgan s Best Summer Read 2018 We are in the midst of a sleep deprivation crisis and this has profound consequences on our health our job performance our relationships and our happiness In this book Arianna Huffington boldly asserts that what is needed is nothing short of a sleep revolution Only by renewing our relationship with sleep can we take back control of our lives Through a sweeping scientifically rigorous and deeply personal exploration of sleep from all angles Arianna delves into the new golden age of sleep science that reveals the vital role sleep plays in our every waking moment and every aspect of our health from weight gain diabetes and heart disease to cancer and Alzheimer s In The Sleep Revolution Arianna shows how our cultural dismissal of sleep as time wasted not only compromises our health and our decision making but also undermines our work lives our personal lives and even our sex lives She explores all the latest science on what exactly is going on while we sleep and dream She takes on the dangerous sleeping pill industry and confronts all the ways our addiction to technology disrupts our sleep She also offers a range of recommendations and tips from leading scientists on how we can achieve better and more restorative sleep and harness its incredible power In today s fast paced always connected perpetually harried and sleep deprived world our need for a good night s sleep is more important and elusive than ever The Sleep Revolution both sounds the alarm on our worldwide sleep crisis and provides a detailed road map to the great sleep awakening that can help transform our lives our communities and our world **The Future X Network** Marcus K. Weldon, 2018-09-03 We are at the dawn of an era in networking that has the potential to define a new phase of human existence This era will be shaped by the digitization and connection of everything and everyone with the goal of automating much of life effectively creating time by maximizing the efficiency of everything we do and augmenting our intelligence with knowledge that expedites and optimizes decision making and everyday routines and

processes The Future X Network A Bell Labs Perspective outlines how Bell Labs sees this future unfolding and the key technological breakthroughs needed at both the architectural and systems levels Each chapter of the book is dedicated to a major area of change and the network and systems innovation required to realize the technological revolution that will be the essential product of this new digital future Globalisation and Services-driven Economic Growth Niels Beerepoot,Bart Lambregts,Jana Kleibert,2016-07-28 Following drastic shifts in the spatial organization of goods production increasingly fierce competition now forces firms also to look critically at how to organize the production of services While digitization and advances in information and communication technologies have enabled firms to unbundle service production processes the increased global availability of skilled labour allows for the relocation of ever more of these processes around the world As a result a new geography of services production takes shape a geography that is defined by new interregional and international divisions of labour and held together by increasingly complex global services production networks This book examines how the reorganisation of services production alters relations between and generates different sets of challenges and opportunities for economic development in the Global North and the Global South Drawing from 11 case studies probing various aspects of services production in different parts of the world the book brings out the remarkable heterogeneity and transformative capacities of services It successively shows how global trade in services creates new interdependencies between services producing and services consuming regions reveals how services help to mitigate the impact of and contribute to recovery from economic crises in the Global North and demonstrates how services offshoring fosters economic development and service sector driven modernisation processes in the Global South The book s openness to the heterogeneous and dynamic nature of services production enlarges our understanding of which particular services in which spatiotemporal context have the capacity to generate good jobs contribute to productivity and drive economic growth The book stands out from other books in the field in that it combines perspectives on services driven transformations from both the Global North and the Global South and looks into the role of various services segments Based on pioneering empirical research and original data it offers a timely contribution to this growing debate The book provides valuable insights for students scholars and professionals interested in services services offshoring services driven growth and socioeconomic transformations in the Global North and South *The Netflix Effect* Kevin McDonald,Daniel Smith-Rowsey,2016-08-11 Netflix is the definitive media company of the 21st century It was among the first to parlay new Internet technologies into a successful business model and in the process it changed how consumers access film and television It is now one of the leading providers of digitally delivered media content and is continually expanding access across a host of platforms and mobile devices Despite its transformative role however Netflix has drawn very little critical attention far less than competitors such as YouTube Apple Amazon Comcast and HBO This collection addresses this gap as the essays are designed to critically explore the breadth and diversity of Netflix s effect from a variety of different scholarly perspectives a necessary

approach considering the hybrid nature of Netflix its inextricable links to new models of media production distribution viewer engagement and consumer behavior its relationship to existing media conglomerates and consumer electronics its capabilities as a web based service provider and data network and its reliance on a broader technological infrastructure

Transatlantic Television Drama Matt Hills, Michele Hilmes, Roberta E. Pearson, 2019 In 2014 the UK science fiction television series Black Mirror was released on Netflix worldwide quickly becoming a hit with US audiences Like other beloved British imports this series piqued Americans interest with hints of dark comedy clever plotlines and six episode seasons that left audiences frantic for more In Transatlantic Television Drama volume editors Michele Hilmes Matt Hills and Roberta Pearson team up with leading scholars in TV studies and transnational television to look at how serial dramas like Black Mirror captivate US audiences and what this reveals about the ways Americans and Brits relate to each other on and off the screen Focusing on production strategies performance styles and audience reception chapters delve into some of the most widely discussed programs on the transatlantic circuit from ongoing series like Game of Thrones Downton Abbey Orphan Black and Sherlock to those with long histories of transnational circulation like Masterpiece and Doctor Who to others whose transnational success speaks to the process of exchange adaptation and cooperation such as Rome Parade s End Broadchurch and Gracepoint The book s first section investigates the platforms that support British American exchange from distribution partnerships and satellite providers to streaming services The second section concentrates on the shift in meaning across cultural contexts such as invocations of heritage genre shifts in adaptation performance styles and in the case of Episodes actual dramatized depiction of the process of transatlantic television production In section three attention turns to contexts of audience reception ranging from fan conventions and fiction to television criticism the effects of national branding on audiences and the role of social media in de or re contextualizing fans response to transnational programs
