Nice Book Coordinating Student Affairs Divisional Assessment:

Coordinating Student Affairs Divisional Assessment Erin Bentrin, Gavin W. Henning, Kimberly Yousey-Elsener, 2023-07-03
An ACPA NASPA Joint Publication The need for the new role of student affairs assessment coordinator has emerged in response to the increasing demand for outcomes information the proliferation of data and the recognition that coordinating this work within divisions is of paramount importance For those taking on this role this book constitutes a practical guide to leading and implementing an assessment program whether doing so full or part time as an individual or in a multi person office or whether reporting to or being in positional leadership Recognizing that this function that is new to student affairs and that those who take it on frequently find themselves in an in between world being both embedded with but also distinct from their divisional colleagues this book first addresses the common challenges and issues related to defining and implementing the role and cultivating a culture of assessment It then deals with the practicalities of creating systems and structures developing assessment skills throughout the organization and creating an integrated model for measuring progress towards strategic planning goals and for informing decision making and resource allocation The book concludes with guidance on leading and maintaining ethical standards related to data collection storage and sharing for the division and on navigating the dynamic political environment that assessment professionals will encounter *Coordinating Divisional and Departmental Student Affairs Assessment* Gavin W. Henning, Erin M. Bentrin, Kimberly Yousey-Elsener, 2023-12-01 By providing practical advice on how to inform and lead a successful assessment program in student affairs *Coordinating Divisional and Departmental Student Affairs Assessment* 2nd Edition helps student affairs professionals understand the impact of their initiatives identify areas for improvement and make data driven decisions to enhance student learning development and engagement Student affairs assessment plays a significant role in shaping the overall college experience As higher education transforms there is an even greater demand for student affairs assessment that informs practice illuminates equity gaps and improves student learning This second edition builds upon the concepts of the first edition while adding essential topics that address the changing dynamics of leading assessment in a department or division in student affairs such as how to use and select assessment technology meaningful ways to collaborate with institutional research as well as creating equity centered assessment practices By utilizing the strategies in this book student affairs divisions can create evidence based practices that contribute to a more inclusive and supportive campus environment foster student engagement and ultimately enhance the educational journey for students This updated and revised edition has been written with new and seasoned assessment practitioners in mind It s an ideal resource for graduate students and other student affairs practitioners who seek to find practical information to guide their own assessment practice **Coordinating Student Affairs Divisional Assessment** Kimberly Yousey-Elsener, Erin M Bentrin, Gavin Henning, 2023 For those taking on the new role of student affairs assessment coordinator this book constitutes a practical guide to leading and implementing an

assessment program whether doing so full or part time working individually or in a multiperson office or reporting to or being in positional leadership This functional role is new to student affairs and those who take it on frequently find themselves in an in between world both embedded in and distinct from their divisional colleagues Recognizing these tenets this book addresses the common challenges and issues related to defining and implementing the role and culture of assessment **Assessment 101 in Higher Education** Keston H. Fulcher, Megan R. Good, Elizabeth R. H.

Sanchez, 2024-10-31 **Assessment 101** is your all in one guide to conducting and facilitating assessment in specific programs as well as coordinating institution wide assessment processes This book covers all fundamental elements of the assessment cycle Student learning outcomes curriculum mapping instruments data collection results and interpretation and most importantly use of results for improvement Complete with pro tips designed for busy professionals this text offers practical guidance on how the assessment process can be implemented and managed at various altitudes within an institution This foundational timely resource is for anyone involved in student learning outcomes assessment at the program or institutional level *Student Affairs Assessment* Gavin W. Henning, Darby Roberts, 2023-07-03

With the recognition of the integral role of student affairs in student education and with stakeholders requiring increasing accountability at a time of tight resources it has become imperative that staff be familiar with and competent in undertaking assessment This book provides student affairs staff with the grounding they need to integrate assessment into how they design and monitor the programs services and activities they create to contribute to students development This book is intended both as a text for student affairs and higher education master s programs and as a practical guide for early career staff who have had little formal preparation in assessment It can be used for self study or in professional development workshops For divisions departments or units getting started with assessment the discussion questions at the end of the chapters can engage staff in the process of developing an effective assessment culture This book provides a thorough introduction to all aspects of assessment assuming no prior knowledge and illustrated throughout with examples of application in student affairs settings Key elements include Takes into account the latest standards and competencies defined by AAC U ACPA AER CAS NASPA and others Introductory and comprehensive Provides essential background and theory Covers preparation planning and design Describes the full range of assessment methods Introduces principles and methods of qualitative and quantitative analysis Guidance on using and sharing results Addresses cultivating and sustaining a culture of assessment Considers ethical and political concerns Covers use of technology Illustrated throughout by examples of practice in student affairs **Research in Education** ,1974
