Reform Catholicism and the International Suppression of the Jesuits in Enlightenment Europe Dale K.

Van Kley,2018-01-01 An investigation into the role of Reform Catholicism in the international suppression of the Jesuits in 1773 The Jesuits devoted themselves to preaching the word of God administering the sacraments and spreading the faith by missions in both Europe and newly discovered lands abroad But in 1773 under intense pressure from the monarchs of Europe the papacy suppressed the Society of Jesus an act that reverberated from Europe to the Americas and Southeast Asia In this scholarly history Dale Van Kley argues that Reform Catholicism not a secular Enlightenment provided the justification for Catholic kings to suppress a society instituted by the papacy Spanning the years from the mid sixteenth century to the onset of the French Revolution and the Jesuit presence from China to Brazil this is the only single volume in English to make coherent sense of the series of expulsions that add up to what was arguably the most important religious event in Europe of the time resulting in the secularization of tens of thousands of Jesuits

Jesuit Astrology Luís Campos Ribeiro,2023-06-12 Connections between the Society of Jesus and astrology used to appear as unexpected at best Astrology was never viewed favourably by the Church especially in early modern times and since Jesuits were strong defenders of Catholic orthodoxy most historians assumed that their religious fervour would be matched by an equally strong rejection of astrology This groundbreaking and compelling study brings to light new Jesuit scientific texts revealing a much more positive practical and nuanced attitude What emerges forcefully is a totally new perspective into early modern Jesuit culture science and education highlighting the element that has been long overlooked
