*Medicine* O.A. Ryder,M.L. Byrd,2012-12-06 There is a saying he is a person who can charm the birds from the trees This  
might well be applied to Kurt Benirschke Indeed it describes both his warm personality and his intimate interaction with  
nature He might be considered a modern adept of the Greek and Roman Stoic school of philosophy which taught an  
understanding of man as integrated into nature in its totality The right way to live is according to nature with nature as part  
of it This at the same time means humanity and Kurt Benirschke impresses us not only as an outstanding scientist but also as  
a humanist who has had a lifelong love affair with nature The foundation of Springer Verlag New York in 1964 offered a great  
opportunity for getting together with eminent authors in the United States Kurt Benirschke was one of them and his book  
Pathology of the Placenta was highly acclaimed all over the world My attention was first called to him by my dear friend Dr  
Ernst Uhlinger then a pathologist in Zurich With a sharp and critical eye he followed the international literature on pathology  
and discovered the genius of Kurt Benirschke Our first encounters led to a relationship of trust which in turn grew into  
friendship I soon learned to esteem the special qualities of the man and the scientist in fact they cannot be separated      **The**  
**Ferguson Report** United States Department of Justice Civil Rights Division,2015-06-23 On August 9 2014 Michael Brown an  
unarmed African American high school senior was shot by Officer Darren Wilson in Ferguson Missouri For months afterward  
protestors took to the streets demanding justice testifying to the racist and exploitative police department and court system  
and connecting the shooting of Brown with the deaths of Trayvon Martin Eric Garner and other young black men at the  
hands of police across the country In the wake of these protests the Department of Justice launched a six month investigation  
resulting in a report that Colorlines characterizes as so caustic it reads like an Onion article and laying bare what the  
Huffington Post calls a totalizing police regime beyond any of Kafka s ghastliest nightmares Among the report s findings are  
that the Ferguson Police Department Engages in a Pattern of Unconstitutional Stops and Arrests in Violation of the Fourth

of First Amendment Violations Engages in a Pattern of Excessive Force and Erode s Community Trust Especially Among
