Gaming Democracy Adrienne L. Massanari, 2024-10-29 How play and gaming culture have mainstreamed far right ideology through social media platforms From Gamergate to the ongoing Big Lie the far right has gone mainstream In Gaming Democracy Adrienne Massanari tracks the flames of toxicity found in the far right and alt right movements as they increasingly take up oxygen in American and global society In this pathbreaking contribution to the fields of internet studies game studies and gender studies Massanari argues that Silicon Valley s emphasis on meritocracy and free speech absolutism has driven this rightward slide These ideologies have been coded into social media spaces that implicitly silence marginalized communities and subject them to rampant abuse by groups that have learned to game the ecology of platforms algorithms and attention economies While populist movements are not new phenomena such as QAnon parental rights activism and COVID denialism are uniquely of the internet with supporters demonstrating both technical acumen and an ability to use

memes and play as a way of both building community and fomenting dissent Massanari explores the ways that the far right uses memetic humor and geek masculinity as tools both to create a sense of community within these leaderless groups and to obfuscate their intentions Using the lens of play and game studies as well as the concept of metagaming Gaming Democracy is a novel contribution to our understanding of online platforms and far right political activism **Wem kannst du trauen?** Rachel Botsman,2020-01-20 Wem kann man noch trauen Der Regierung Den Wirtschaftsunternehmen Den Medien Das Vertrauen in die Institutionen und ihre F hrungskr fte ist auf einem historischen Tiefststand Andererseits handeln wir mit digitalen W hrungen vertrauen Bots unterhalten uns mit Smart Speakern Die Vertrauensforscherin Rachel Botsman erkl rt diesen von innovativen Technologien getriebenen Paradigmenwechsel Sie beschreibt wie sich die Welt in einem Zeitalter des verteilten Vertrauens neu ordnet Worauf es jetzt ankommt Untereinander unseren Mitmenschen Kunden und Firmenpartnern Vertrauensbr cken zu bauen um die entstandenen Vertrauensl cken zu berwinden Botsman erl utert wie es geht Vertrauen Sie ihr *Searcher* ,2009 **Analysis and digest** Robert William Eyton,1880 Domesday Studies: Analysis and digest Robert William Eyton,1880 **Domesday Studies** Robert William Eyton,1880 Remains, Historical and Literary, Connected with the Palatine Counties of Lancaster and Chester ,1889 *Democrat* ,1886 **Reports** Great Britain.
