Book Insights 1 The 80 20 rule is everywhere Not absolutely everything but most things Shoes domains names Bible verses
trips to Vegas pearl necklaces consumption of dinner napkins and tubes of lipstick Rabbit populations streams rivers and
passengers on London's underground Tube trains 2 The 80 20 rule is not the exact number 80 20 that is the rule but the
principle of positive feedback which is when behavior is rewarded so that it produces more of the same behavior You can
easily assign dollar figures to all and instantly know which opportunities are worth pursuing and which ones waste your time
and money 3 80 20 says that if you have 10 rooms in your house you spend almost all your time in two or three of them It
says if you hire 10 salespeople two will generate 80 percent of the sales and the other eight will generate only 20 percent of

the sales 4 The concept of your greatest hits is to find the best performing ads and then 80 20 things further to improve what s already working By taking this approach you can 80 20 your way to finding the best performing ads and then 80 20 things further to improve them

Automatic Views Aron Shoker,2023-03-26 If you re reading this it means you own a business and want to make more sales with social media However you might have problems creating content ideas getting more engagement getting more followers to go to your website booking a call with you or buying one of your products filming your videos or something in between Don t worry your problems will go away when you learn some of the best kept secrets in the industry This book has been ten years in the making Hi I m Aron Shoker I ve been video editing for 10 plus years and now work with six and seven figure clients But it wasn t always the case I was once like you stuck with social media I just didn t know how to make it work This situation changed when I invested thousands of dollars into getting mentors I ve also directly learned from the world s top 1% of marketers and video editors I shouldn t be sharing this as clients have paid me thousands to learn this but I m here to help you succeed In this book I will break down EXACTLY how to level up your social media accounts so you can turn them into a money making machine This book is entirely different to other books of its sort as they generally give information that you ve already heard a million times before that is generic and only provides the what to do not much on the how No wonder most books do not get the reader s results That will now change I will give step by step instructions in this book from sorting your social media accounts to making money But remember you will be learning knowledge only the top 1% of people worldwide know This knowledge has generated millions of dollars in revenue If you implement just 10% of what you learn I promise you you will see results Get a pen and paper ready and let s start
