Modernization Richard Smith, John K. Fairbank, Katherine Bruner, 2020-03-23 As the Chinese government's Inspector General of the Maritime Customs Service Robert Hart was the most influential Westerner in China for half a century These journal entries continue the sequence begun in *Entering China's Service* and cover the years when Hart was setting up Customs procedures establishing a modus operandi with the Chinese bureaucracy and inspecting the treaty ports They culminate in Hart's return visit to Europe with the Pines Mission and his marriage in Northern Ireland Smith Fairbank and Bruner interleave the segments of Hart's journals with lively narratives describing the contemporary Chinese scene and recounting Hart's responses to the many challenges of establishing a Western style organization within a Chinese milieu The Citizen Soldiers John Garry Clifford, 2014-12-16 *The Citizen Soldiers* explores the military reform movement that took its name from the famous Business Men's Military Training Camps at Plattsburg New York It also illuminates the story of two exceptional men General Leonard Wood the rambunctious and controversial former Rough Rider who galvanized the Plattsburg Idea with his magnetic personality and Grenville Clark a young Wall Street lawyer The Plattsburg camps strove to advertise the lack of military preparation in the United States and stressed the military obligation every man owed to his country Publicized by individuals who voluntarily underwent military training the preparedness movement rapidly took shape in the years prior to America's entry into the First World War Far from being war hawks the Plattsburg men emphasized the need for a citizen army rather than a large professional establishment Although they failed in their major objective universal military training their vision of a citizen army was largely realized in the National Defense Act of 1920 and their efforts helped to establish selective service as the United States preferred recruitment method in World War I World War II the Korean War and the Vietnam War Featuring a new preface by the author this new edition of a seminal study will hit shelves just in time for the World War I Centennial **Reminiscences and notes of seventy years' life, travel and adventure; military and civil; scientific and literary** R. G. Hobbes, 1895 **Professional Journal of the United States Army**, 1991 **The 2nd North Carolina Cavalry** Roger H. Harrell, 2011-12-14 The 2nd North Carolina Cavalry fought its first major battle in its home state at New Bern on March 14 1862 and narrowly escaped with its men and reputation intact The regiment was nearly decimated in the Gettysburg Campaign but was rebuilt and later fought with Robert E Lee's cavalry in most major battles including Appomattox Court House on April 9 1865 with only a handful of men This history covers not only the 2nd North Carolina Cavalry's accomplishments and failures but the events going on around them which influenced their actions and performance The author pays particular attention to the 2nd North Carolina's involvement with the Army of Northern Virginia and the North Carolina Cavalry Brigade and includes official documents letters written to and from home diaries and memoirs to present the soldiers war experiences *Official U. S. Bulletin* United States. Committee on Public Information, 1917 **Americans All!** Nancy Gentile Ford, 2001-01-01 During the First World War nearly half a million immigrant draftees from forty six different nations served in the U S Army This surge of Old World soldiers challenged the

American military's cultural, linguistic and religious traditions and required military leaders to reconsider their training methods for the foreign born troops. How did the U.S. War Department integrate this diverse group into a united fighting force? The war department drew on the experiences of progressive social welfare reformers who worked with immigrants in urban settlement houses and they listened to industrial efficiency experts who connected combat performance to morale and personnel management. Perhaps most significantly the military enlisted the help of ethnic community leaders who assisted in training, socializing and Americanizing immigrant troops and who pressured the military to recognize and meet the important cultural and religious needs of the ethnic soldiers. These community leaders negotiated the Americanization process by promoting patriotism and loyalty to the United States while retaining key ethnic cultural traditions. Offering an exciting look at an unexplored area of military history, *Americans All: Foreign Born Soldiers in World War I* constitutes a work of special interest to scholars in the fields of military history, sociology and ethnic studies. Ford's research illuminates what it meant for the U.S. military to reexamine early twentieth century nativism instead of forcing soldiers into a melting pot. War department policies created an atmosphere that made both American and ethnic pride acceptable. During the war a German officer commented on the ethnic diversity of the American army and noted with some amazement that these semi-Americans considered themselves to be true born sons of their adopted country. The officer was wrong on one count. The immigrant soldiers were not semi-Americans; they were Americans all.

Reminiscences [and Notes] of Seventy Years' Life, Travel, and Adventure, Military and Civil, Scientific and Literary: Civil service in Sheerness and Chatham dockyards. Home and foreign travel Robert George Hobbes, 1895 *Journal of the United States Artillery*, 1933

Armor, 1970 *Aerial Age Weekly*, 1919 *Polished* Calvin Purnell Jr., 2025-03-30 The *Polished* trilogy is a collection of experiences that reveal how to overcome adversity. Calvin Purnell Jr. looks back on deeply personal experiences that tested his mettle and challenged him to stand tall and battle through to victory. In looking back at his life he shares valuable lessons including how personal and professional experiences are interconnected, why resilience, adaptability and continuous learning are so important, why it makes sense to celebrate wins no matter how small, how to embrace challenges as opportunities for growth. The author also examines the significance of building a strong support network, ways to engage in self-reflection and the importance of cultivating a positive mindset. With a blend of vulnerability and strength he reminds us that every setback is a setup for a comeback. Whether you're a young professional seeking guidance or someone facing personal challenges, this book serves as an essential companion on your journey to resilience.

American Foreign Relations Reconsidered Gordon Martel, 2002-11-01 This major new textbook brings together twelve of the leading scholars of U.S. foreign relations. Each contributor provides a clear, concise summary of an important period or theme in US diplomatic and strategic affairs since the Spanish American War. Michael Hunt and Joan Hoff provide an overview of the traditions behind US policy and a preview of things to come. Together the contributors offer a succinct explanation of the controversies and questions that

historians have grappled with throughout the twentieth century Students will find these essays a reliable and useful guide to the various schools of thought which have emerged Although each of the scholars is well known for their detailed and original work these essays are new and have been specially commissioned for this book The articles follow the chronological development of the emergence of the United States as a world power but special themes such as the American policy process economic interests relations with the Third World and the dynamics of the nuclear arms race have been singled out for separate treatment American Foreign Relations Reconsidered 1890 1993 represents essential reading for upper level undergraduates studying modern American history The book has been designed and written exclusively to meet the needs of students either as a major course text or as a set of supplementary readings to support other texts **The American Printer** ,1918 **The Michigan Alumnus** ,1939 In v 1 8 the final number consists of the Commencement annual **Harvard Alumni Bulletin** ,1944 **Sussex Archaeological Collections** Henry Campkin,2025-07-20 Reprint of the original first published in 1874 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage
