Notes from Underground Fyodor Dostoevsky, 2009-07-07 One of the most profound and most unsettling works of modern literature Notes from Underground first published in 1864 remains a cultural and literary watershed In these pages Dostoevsky unflinchingly examines the dark mysterious depths of the human heart The Underground Man so chillingly depicted here has become an archetypal figure loathsome and prophetic in contemporary culture This vivid new rendering by Boris Jakim is more faithful to Dostoevsky's original Russian than any previous translation it maintains the coarse vivid language underscoring the visceral experimentalism that made both the book and its protagonist groundbreaking and iconic

first person unreliable narrator *Alienation* Harold Bloom, Blake Hobby, 2009 Provides an examination of the use of alienation in classic literary works **Notes from Underground (Annotated)** Fyodor Dostoyevsky, Ulviye Alpay, 2025-06-22 *Notes from the Underground* Fyodor Dostoyevsky, Charles B. Guignon, Kevin Aho, 2009 Dostoevsky's best known and most groundbreaking work appears in this new edition in a revision of the Constance Garnett translation with an Introduction by Charles Guignon and Kevin Aho The Introduction places the underground man in the historical context of nineteenth century modernity's movement toward secularism examines his psychological dynamics and identifies the developments in Russian intellectual life that the work parodies and criticises It further points up the contribution made by this novella considered by Dostoevsky the key to his mature works to the author's later novels of ideas **Narrative Space and Gender in Russian Fiction** Joe Andrew, 2007 The present volume has as its primary aim readings from a feminist perspective of a number of works from Russian literature published over the period in which the woman question rose to the fore and reached its peak All the works considered here were produced in or hark back to a fairly narrowly defined period of not quite 20 years 1846-1864 in which issues of gender of male and female roles were discussed much more keenly than in perhaps any other period in Russian literature The overall project is summed up by the three key words of this book's title narrative space and gender and especially the interconnections between them That is what do the way these stories were told tell us about gender identities in mid nineteenth century Russia Which spaces were central to these fictional worlds Which spaces suggested which gender identities The discussions therefore focus on issues of narrative and space and how they acted as technologies of gender This volume will be of interest to all interested in nineteenth century Russian literature as well as students of gender and of the semiotics of narrative space **NOTES FROM UNDERGROUND - Dostoevsky** Dostoevsky Fyodor, 2024-01-20 Fyodor Dostoyevsky was born in Moscow in 1821 and died in St Petersburg in 1881 He is recognized as one of the greatest writers in Soviet and international literature Notes from Underground is Dostoevsky's darkest and strangest work The book offers a powerful refutation of Enlightenment and idealism as well as the promises of socialist utopianism It boldly rejects the ideas of development and higher consciousness preferring to describe humans as irrational rebellious and uncooperative According to Nietzsche it's a work that expresses the voice of blood Notes from Underground is a challenging and irresistible novel that deserves recognition as much more than a mere critical prelude to Dostoevsky's later and more famous works Rightly so the work is included in the famous collection 1001 Books You Must Read Before You Die **Notes From The Underground** Fyodor Mikhailovich Dostoyevsky, 2021-08-04 Notes From The Underground Fyodor Mikhailovich Dostoyevsky Notes from Underground is a study of a single character and a revelation of Dostoyevsky's own deepest beliefs In this work we follow the unnamed narrator of the story who disillusioned by the oppression and corruption of the society in which he lives withdraws from that society into the underground On the surface this is a story of one man's rant against a corrupt oppressive society but this philosophical
