Notes From A Spinning Planet Ireland:

Notes from a Spinning Planet--Ireland Melody Carlson, 2008-12-24 It's pretty humiliating to admit but I've never flown in a plane before today. So wouldn't you think that I'd be feeling pretty jazzed right now? Instead I keep grabbing onto these armrests as I ask myself why on earth I ever agreed to come on this frightening trip. Affectionately teased as a country bumpkin, nineteen-year-old Maddie has never been one to explore new territory. Her first trip outside of the country with her Aunt Sid and Sid's godson Ryan promises an exhilarating adventure. Northern Ireland is more captivating than she even imagined and Ryan is offering plenty of intrigue himself. As Aunt Sid researches peace camps, Maddie and Ryan explore Ireland's rich landscape. During the journey, Maddie begins to discover more about what she wants from life while developing a deeper friendship with her irresistible traveling companion. When Maddie and Ryan dig for the truth about the IRA car bomb that killed Ryan's father years ago, questions about the past accumulate. Unable to let go of growing suspicions in this mysterious country, Maddie finds herself on a dangerous journey, a journey that will lead her to the greatest discovery of all.

What Matters Most Melody Carlson, 2009-09-15 Maya's Green Tip for the Day: Recycled fashion is one of the most fun ways to go green. A pair of jeans could be transformed into a denim skirt. A sweater into a vest. A bunch of old ties into a dress. A blanket into a poncho. Accessorize it in a new way with beads, buttons, applique, buckles, stencils, or ribbons. Your imagination is only the limit. 65 words. Sixteen-year-old Maya Stark has a lot to sort through. She could graduate from high school early if she wants to. She's considering it, especially when popular cheerleader Vanessa Hartman decides to make her life miserable and Maya's ex-boyfriend Dominic gets the wrong idea about everything. To complicate matters even more, Maya's mother will be released from prison soon and she'll want Maya to live with her again. That's a disaster waiting to happen. And when Maya plays her dad's old acoustic guitar in front of an audience, she discovers talents and opportunities she never expected. Faced with new options, Maya must choose between a normal life and a glamorous one. Ultimately, she has to figure out what matters most. *It's a Green Thing* Melody Carlson, 2009-04-21 For the first time that she can remember, Maya Stark is beginning to feel like a normal teenager. Even with her mother in jail for drug possession and her pop star father away on his comeback tour, Maya's new life with her uncle Allen and cousin Kim is coming together. Summer vacation's just beginning and with a new job, a new boyfriend, and a new car, hybrid of course, things are finally starting to look up. But that doesn't mean life is about to get any easier. Maya's still devoted to living Green and her uncle offers her a Green column in his newspaper. With the opportunity to make a difference in the town's attitude toward the environment, Maya wonders how this fits with her newfound commitment to Christ. And if she can really consider herself a Christian when her feelings toward a fellow youth group member are anything but loving.
