Waters is Howard Schaap's memoir at once deeply compassionate and searingly honest of his father's anguished journey. In his search for answers, Howard looks first to the landscape itself, where hard luck fishing trips to the mud lakes of the tallgrass prairie mirrored his father's dark moods and darkening theology. But there is also local history where his father's fall from grace, his manic decisions, and his political swing not simply from moderate Republican to fervent populist but from someone broad minded and warm hearted to someone narrow and bitter have a precedent in American letters and history. Midwest settler Charles Ingalls Pa in the famous *Little House on the Prairie* books. *Brooding Upon the Waters* recreates the stark beauty and haunting isolation of growing up on a failing family farm in the 1980s and 1990s. Along the way, Howard Schaap grapples with how these forces as disparate as distorted theology and short sighted financial greed complicate his own struggle to remain loyal to the place he has always called home. *Brooding Upon the Waters* recounts not only a mental health crisis but also a crisis of the American Dream in the Upper Midwest, America's lost landscape.
