Christopher Reyes, 2014-05-16 The way to maintain a Christianized falsehood is to stigmatize the real truth to such an extent that it would be heresy to even listen to it For one who is seeking historical truth A record held sacred is for the most part fundamentally vitiated vitiated Random House 1 spoiled marred 2 perverted corrupted 3 rendered invalid Tacitus 1 2 13 p 2556 What does Christianity teach man Christianity teaches that the human race is depraved fallen and sinful D James Kennedy Why I Believe World Publishing 1980 This book is about the Christian leadership which planned from the very beginning to deceive mankind force feed mankind with their intellectual arrogance convolutions superstitions and boldly admit to it fabricating lies so preposterous and so deliberately outlandish that even the saints who also obliged Christian subjects with their theological tunnel vision had to write of them The series of books entitled **In His Name** will virtually challenge everything you have been taught about Christianity Just because something is old or of antiquity does not necessarily mean that it is the Truth 1 Timothy Christian apologists proclaim that Christianity is not only a

Revelation of Divine Truth it is also the Inspiration to a more virtuous life excerpt from The History of the Orthodox Church by Rev Constantine Callinikos Time itself will someday expose the fallacies of their faith a faith that not only deceives its followers but a faith that will also condemn them and condemn all constructive sacred learning

Oh what a tangled web we weave When first we practice to deceive Sir Walter Scott

Why do Christian churches refuse to let their congregations read of the beginnings of their faith Why does the Christian Church refuse to allow their membership to read of the original authors Why does the Church equate suffering with virtue This book will challenge your beliefs It is meant to get one to think rationally sensibly realistically However one must know that most churches do not want you to think rationally they would rather you not think at all At one time the Catholic Church even issued guidelines as to which books a university could with permission disseminate to its students and even the works of Aristotle the Prince of Philosophers and the Holy Bible itself were actually forbidden
