and within rock music *With God On Our Side* attempts to respond to these queries in a way that is faithful to the work of the kingdom of God on earth by mining our long theological tradition and seeing what cohesive responses can be made to the issues raised by rock music. At its best rock acknowledges there is something wrong with the world, raises awareness of marginalized voices, and offers an alternative mode of existence within our present reality. By teasing out the theological issues found in rock music, this book synthesizes the findings to create a distinctive cultural theology that is sensitive to the plight of the marginalized in the West. In this way, the book offers a way forward towards a transformational theology of rock and roll.
