

Engineering Education Program (ESEP) - Fall 2024

For students interested in pursuing a degree in Engineering

The Engineering Education Program (ESEP) is a comprehensive program designed to provide students with a strong foundation in engineering principles and practices. The program includes a series of courses that cover the fundamentals of engineering, as well as more advanced topics in specific engineering disciplines. Students who complete the program will be well-prepared to enter the workforce or pursue further education in engineering.

The program is structured to allow students to progress through the courses at their own pace, with a variety of options for scheduling and delivery. Students can choose to take courses in a traditional classroom setting, or they can opt for a more flexible, online format. The program also offers a range of support services, including tutoring, career counseling, and financial aid, to ensure that all students have the resources they need to succeed.

For more information about the Engineering Education Program, please visit our website at www.nrc.gov/education or contact us at 1-800-XXX-XXXX.
