Photography in the Netherlands Saskia Asser, 2007 The themes of the Dutch Eyes exhibition were chosen for their
significance to the history of photography as well as to the country's cultural history Areas of particular interest include
distinctive 19th century photographs taken by engineers the debate about photography's status as an art form at the start of
the 20th century the catastrophic flood in 1953 the former colonies and U 2018 the self critical gaze This thematic approach
makes it possible to see work by famous photographers alongside work by unknown figures who wielded the camera The
exhibition includes an abundance of work that has never previously been shown from collections including those of the
