Need To Know Ufos The Military And Intelligence:

Need to Know Timothy Good, 2012-07-12 UFOs remain essentially a military and intelligence problem and one demanding unprecedented security and deception with access to information on a strictly need to know basis As early as 1960 former CIA director Admiral Hillenkoetter confirmed that Behind the scenes high ranking air force officers are soberly concerned about the UFOs But through official secrecy and ridicule many citizens are led to believe the unknown flying objects are nonsense The same could be said today Based on many years of research by one of the world s most respected authorities on alien phenomena Need to Know draws on top secret documents reports of encounters with large craft of unknown origin from pilots and personnel aboard aircraft carriers and destroyers and interviews with high ranking military insiders It is full of revelations including the alarming escalation of aircraft accidents and the disappearance of hundreds of military aircraft during UFO encounters and recent near misses with UFOs The evidence is clear balanced and irrefutable **A History of Military Encounters with UFOs** Robert Allred, 2024-12-30 This book explores the long history of military encounters with UFOs revealing hidden incidents of dogfights nuclear interference and mysterious confrontations with unidentified aerial phenomena Military bodies across the world have encountered experimented with and even had combat with UFOs or as the U S military now define them Unidentifiable Aerial Phenomenon or UAPs These observations and engagements have occurred since ancient times and on all continents Different nations and cultures have had vastly different analyzes of the UFO UAP phenomenon from the Roman Empire to Nazi Germany and the Soviet Union and Communist China to the Western democracies The UFO UAP phenomenon has not diminished and has in fact grown in proportion in recent years and has now assumed the mantle of legitimacy in government circles the media and among the general public What is less well known or even concealed are the encounters that the military have had with UFOs some of which have even proved fatal to the terrestrials concerned There were reported dogfights with UFOs and German aircraft in the First World War and in the Second World War reports of what became known as Foo Fighters became commonplace However it was after the war that UFO sightings increased exponentially amongst which was a dogfight with a Mustang P 51 and a UFO in October 1948 and two years later for two consecutive weekends in 1952 UFOs hovered over Washington D C Attempts were made by the U S Air Force to intercept the strange craft but were outrun by the UFOs UFOs UAPs may have tampered with world nuclear forces including shutting down strategic missiles of the United States and conversely activating Soviet ICBMs almost setting off an unordered by Soviet authorities launching of atomic warheads against the United States UFOs may also have returned fire against American military forces during the Vietnam War sending projectiles back at patrol boats that had been fired by those military river craft at UFOs hours or days before United States Air Force personnel including a Lieutenant Colonel also encountered UFOs on the ground and in the air at Rendlesham USAF RAF base in the UK in 1980 UFOs have played cat and mouse games with the latest fighter bombers of the United States Navy since 2004 and these events have been captured on

videotape and are verified to have occurred by the pilots themselves As readers will discover from the mass of evidence presented in this book it is no longer a question of whether UFOs exist or not and that not only are such phenomenon an incontrovertible fact but that the United States has crafted plans on how to resist an alien invasion But is there any need for us humans to be concerned about the alien presence in the skies that surround our planet Yes be very concerned **A UFO Hunter's Guide** Bret Lueder,2025-09-12 Alien abductions Repeated UFO sightings Conspiracies and cover ups Whether you re a skeptic or a believer UFOs are part of our culture How to sort out fact from fiction A UFO Hunter s Guide has the answers the facts figures people places and events that make up the modern scope of UFO ology A UFO Hunter s Guide features Competing theories about UFOsFamous cases and hot spots around the worldField tips from investigators and researchersAn extensive list of international UFO research societies Lueder cites the contributions and findings of world renowned researchers Zecharia Sitchin William Bramley Jordan Maxwell Nancy Red Star Stanton Friedman Dr Carl Sagan Jacques Vallee Raymond Fowler and many others along with a vast array of case sightings alleged contacts and abductions Whether you re simply curious or a researcher with a serious interest in uncovering the truth about UFOs A UFO Hunter s Guide is a valuable resource *Aliens in Ancient Egypt* Xaviant Haze,2013-10-31 The alien influences behind the rise and fall of Egypt s Golden Age Explains how Akhenaten was the last pharaoh entrusted with the sacred and ancient alien knowledge of stargates free energy and antigravity technologies Reveals how the Brotherhood of the Snake a secret society of reptilian aliens sought to destroy Akhenaten and suppress the sacred knowledge of the pharaohs Explores the original purpose of the pyramids to transmit energy to expand consciousness and how they were decommissioned after the Great Flood The sophisticated civilization of ancient Egypt arose seemingly overnight complete with advanced levels of art agriculture astronomy and physics Then with the death of Pharaoh Akhenaten much of this higher knowledge was lost or suppressed But evidence of this former Golden Age the alien visitors behind its rise and those behind its decline still exists some of it in plain sight Examining the purposefully obscured reign of Akhenaten and Nefertiti Xaviant Haze explains how they represent the last dynasty with access to the sacred knowledge of stargates free energy and antigravity technologies knowledge handed down from an advanced interstellar race in the remote past He reveals how the reptilian race known as the Shemsu Hor infiltrated the Egyptian priesthood and banking systems and formed the Brotherhood of the Snake a secret society set on destroying Akhenaten s flourishing kingdom and suppressing the sacred knowledge of the pharaohs Haze examines the evidence of aliens in ancient Egypt such as the reptilian beings depicted in the Temple of Hathor and Thutmose III s alien encounter He shows how Akhenaten and his family are always portrayed with elongated skulls and explores the connection between ancient aliens and Mars including the Martian materials used in Egyptian monuments He explains the original purpose of the pyramids to transmit uplifting energy throughout the planet to help expand consciousness and explores how they were decommissioned after the Great Flood of prehistory He reveals how the original builders of the
